

Agency, Region 10, was a cooperating agency to the IFR/EIs, and will also act as a cooperating agency in the Supplement.

The normal range of environmental review and consultation shall apply to the proposed action.

Scoping was completed in 1994. The Corps plans to conduct a series of public meetings after release of the draft Supplement. Meeting times will be announced later. The draft IFR/EIS Supplement is tentatively scheduled for release to the public and agencies for review in May 2002.

## DEPARTMENT OF EDUCATION

[CFDA Nos.: 84.038, 84.033, and 84.007]

### Student Financial Assistance; Federal Perkins Loan, Federal Work-Study (FWS), and Federal Supplemental Educational Opportunity Grant (FSEOG) Programs

**ACTION:** Notice of deadline dates for request and supporting documents for funding or waivers for the remainder of the 2001-2002 award year.

**SUMMARY:** The Secretary announces deadline dates for an institution of higher education to submit various requests and documents under the Campus-Based programs for the remainder of the 2001-2002 award year (January 1, 2002 through June 30, 2002). The Department believes it is more customer friendly and helpful for an institution to have one annual notice, rather than several, for an award year.

**FOR FURTHER INFORMATION CONTACT:** Mr. Richard Coppage, Campus-Based Operations, Student Financial Assistance, U.S. Department of Education, 830 First Street, NE., Washington, DC 20202-5453. Telephone: (202) 377-3174.

If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternative

format, (e.g., Braille, large print, audiotape, or computer diskette) on request to the contact person listed under **FOR FURTHER INFORMATION CONTACT**.

**SUPPLEMENTARY INFORMATION:** There are three programs that we refer to as the Campus-Based programs: The Perkins Loan Program encourages institutions to make low-interest, long term loans to needy undergraduate and graduate students to help pay for their cost of education.

The FSEOG Program encourages institutions to provide grants to exceptionally needy undergraduate students to help pay for their cost of education.

The FWS Program encourages the part-time employment of needy undergraduate and graduate students to help pay for their cost of education and encourages these students to participate in community service activities. An institution may use part of its FWS funds to locate and develop jobs for students under the Job Location and Development Program. An eligible institution that meets the definition of a "Work-College" may participate in the Work-Colleges Program.

The Federal Perkins Loan, FWS, and FSEOG Programs are authorized by parts E and C, and part A, subpart 3, respectively, of title IV of the Higher Education Act of 1965, as amended.

The Department will still refer to these individual deadline dates in its "Dear Partner" Letters that relate to each process we post on the Information for Financial Aid Professionals (IFAP) Web site.

**DEADLINE DATES:** The following table provides the deadline dates for the Campus-Based programs for the remainder of the current award year. In July 2002 we shall publish a notice for the 2002-2003 award year. Please note that an institution must meet the established deadline dates to ensure consideration for funding or a waiver, as appropriate.
