Needs and Uses: The goal of 47 U.S.C. 258 is to eliminate the practice of "slamming" which is the unauthorized change of a subscriber's preferred carrier. The modifications and additions adopted in the Third Report and Order, as modified in a subsequent Order, will improve the carrier change process for consumers and carriers alike, while making it more difficult for unscrupulous carriers to perpetrate slams. The Commission, among other things, amended the current carrier change authorization and verification rules to expressly permit the use of Internet letters of agency in a manner consistent with the new E-Sign Act; and, requires each telephone exchange and/or telephone toll provider to submit a semi-annual report on the number of slamming complaints it receives.
