SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Current Employment Statistics (CES) program information collection. The Congress has charged the Bureau of Labor Statistics with the responsibility of collecting and publishing monthly information on employment, average wages received, and the hours worked, by area and by industry. See 29 U.S.C. 2. The CES program provides current monthly statistics on employment, hours, and earnings, by industry. The statistics are fundamental inputs in economic decision processes at all levels of government, private enterprise, and organized labor. The BLS

In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on October 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on June 3, 2014 (79 FR 31990).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1220-0011. The OMB is particularly interested in comments that:

- Enhance the quality, utility, and clarity of the information to be collected; and
