AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of limitation on claims for judicial review of actions by FHWA and other Federal agencies.

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to the proposed Illinois Route 29 (IL 29) highway project, for construction of an access-controlled, four-lane freeway on new right-of-way between the existing IL 6 interchange near Mossville and the proposed Chillicothe interchange north of Chillicothe in Peoria County, and the widening of IL 29 to four-lanes, largely on existing right-of-way, from north of Chillicothe to Interstate 180 (I-180) in Peoria, Marshall, Putnam, and Bureau Counties, Illinois. Those actions grant licenses, permits and approvals for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions of the highway project will be barred unless the claim is filed on or before August 2, 2010. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

SUPPLEMENTARY INFORMATION:

I. Background

The Transportation Equity Act for the 21st Century (TEA–21), Public Law 105–178, 112 Stat. 107, 241, (as amended by sections 1601–02 of Pub. L. 109–59) established the Transportation Infrastructure Finance and Innovation Act of 1998, authorizing the DOT to provide credit assistance in the form of secured (direct) loans, lines of credit, and loan guarantees to public and private applicants for eligible surface transportation projects. The TIFIA JPO, a component of the FHWA Office of Innovative Program Delivery, has responsibility for coordinating program implementation.

In 2005, Congress enacted the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA–LU) (Pub. L. 109–59, 119 Stat. 1144), which made a number of amendments to TIFIA including lowering the thresholds and expanding eligibility for TIFIA credit assistance. Discussions regarding the pending reauthorization of the TIFIA program are anticipated in the coming months, and we are looking to stakeholders to provide feedback on potential program improvements for consideration during reauthorization discussions.
