

III. Preliminary Finding on the Application and Request

UL submitted an acceptable application for expansion of its scope of recognition. OSHA's review of the application file, and its comparability analysis, indicate that UL can meet the requirements prescribed by 29 CFR 1910.7 for expanding its recognition to include 23 test standards for NRTL testing and certification. This preliminary finding does not constitute an interim or temporary approval of UL's application and request.

OSHA welcomes public comment as to whether UL meets the requirements of 29 CFR 1910.7 for expansion of its recognition as an NRTL. Comments should consist of pertinent written documents and exhibits. Commenters needing more time to comment must submit a request in writing, stating the reasons for the request. Commenters must submit the written request for an extension by the due date for comments. OSHA will limit any extension to 10 days unless the requester justifies a longer period. OSHA may deny a request for an extension if it is not adequately justified. To obtain or review copies of the publicly available information in UL's application and request, including pertinent documents (e.g., exhibits) and all submitted comments, contact the Docket Office, Room N-2625, Occupational Safety and Health Administration, U.S. Department of Labor, at the above address; these materials also are available online at <http://www.regulations.gov> under Docket No. OSHA-2009-0025.

The OTPCA staff will review all comments to the docket submitted in a timely manner and, after addressing the issues raised by these comments, will recommend to the Assistant Secretary for Occupational Safety and Health whether to grant UL's application for expansion of its scope of recognition. The Assistant Secretary will make the final decision on granting the application and request. In making this decision, the Assistant Secretary may undertake other proceedings prescribed in Appendix A to 29 CFR 1910.7. OSHA will publish a public notice of this final decision in the **Federal Register**.
