**SUPPLEMENTARY INFORMATION:** The Committee imposes certain requirements on nonprofit agencies that participate in the Javits-Wagner-O'Day (JWOD) Program. The requirements being proposed are recordkeeping for specific product families and services sold under the JWOD Act. This is a change in current requirements that only require records be kept and reported in the aggregate, rather than by specific JWOD product family or service. If approved, recordkeeping shall reflect dollar sales of each product and service sold under the authority of JWOD Act, direct labor hours performed by all workers on each product and service sold under the JWOD Act, and files which document the disability and competitive employability of each

worker counted toward the nonprofit agencies' ratio of disabled direct labor. Such records and files are required to ensure the effective administration of the JWOD Program and to ensure that nonprofit agencies seeking to participate in the Committee's program meet the requirements of 41 U.S.C. 46-48(c).

**G. John Heyer,**
