materials to foreign governments and international organizations or their representatives.

§ 811.3 Official requests for visual information productions or materials.

(a) Send official Air Force requests for productions or materials from the DoD Central Records Centers by letter or message. Include:

Exempted customers include:

(h) Incidental or occasional requests for VI records center materials or services, including requests from residents of foreign countries, when fees would be inappropriate. AFI 16-101, International Affairs and Security Assistance Management, tells how a foreign government may obtain Air Force VI materials.
