

2009, we find that the *ad valorem* net subsidy rates for the producers/exporters under review are as follows:

Producer/Exporter	Net subsidy rate
F.lli De Cecco di Filippo Fara San Martino S.p.A.	0.39% (<i>de minimis</i>).
Pastificio Fabianelli S.p.A.	0.00%.
Molino e Pastificio Tomasello S.p.A.	5.11%.
Pastificio Antonio Pallante, S.r.l.	1.00%.

Assessment Rates

The Department intends to issue assessment instructions to U.S. Customs and Border Protection ("CBP") fifteen days after the date of publication of these final results. Because the net subsidy rates for De Cecco and Fabianelli are less than 0.5 percent and, thus, *de minimis*, the Department will instruct CBP to liquidate shipments of certain pasta by De Cecco and Fabianelli entered or withdrawn from warehouse, for consumption, from January 1, 2009, through December 31, 2009, without regard to countervailing duties, in accordance with 19 CFR 351.106(c). For Pallante and Tomasello, the Department will instruct CBP to assess countervailing duties at the net subsidy rate listed above.

For all other companies that were not reviewed (except Barilla G. e R. F.lli S.p.A., and Gruppo Agricoltura Sana S.r.l., which are excluded from the order, and Pasta Lensi S.r.l., which was revoked from the order), the Department has directed CBP to assess countervailing duties on all entries between January 1, 2009, and December 31, 2009, at the rates in effect at the time of entry.

Cash Deposit Instructions

Since the countervailable subsidy rate for De Cecco and Fabianelli is *de minimis* or zero, the Department will instruct CBP to continue to suspend liquidation of entries, but to collect no cash deposits of estimated countervailing duties for De Cecco and Fabianelli on all shipments of the subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For Tomasello and Pallante, the Department intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown above.

For all non-reviewed firms (except Barilla G. e R. F.lli S.p.A. and Gruppo Agricoltura Sana S.r.l., which are excluded from the order, and Pasta

Lensi S.r.l. which was revoked from the order), we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Linda Droker, Director, Office of South Asia, U.S. Department of Commerce, telephone: (202) 482-2955.

SUPPLEMENTARY INFORMATION: The U.S.-India CEO Forum, consisting of both private and public sector members, brings together leaders of the respective business communities of the United States and India to discuss issues of mutual interest, particularly ways to strengthen the economic and commercial ties between the two

countries, and to communicate their joint recommendations to the U.S. and Indian governments. The Forum will have U.S. and Indian co-chairs; the Deputy National Security Advisor for International Economic Affairs, together with the Deputy Chairman of the Planning Commission of India, co-chair the Forum. The Forum will include a Committee comprising private sector members. The Committee will be composed of two Sections, each consisting of 10-12 members from the private sector representing the views and interests of the private sector business community in the United States and India. Each government will appoint the members to its respective Section. The Committee will provide recommendations to the two governments and their senior officials that reflect private sector views, needs, and concerns about the creation of an environment in which their respective private sectors can partner, thrive, and enhance bilateral commercial ties to expand trade and economic links between the United States and India. The Committee will continue to build on the work done by the Committee to date, including the Forum's April 2008 and November 2010 reports.

Candidates are currently being sought for membership on the U.S. Section of the Forum. Each candidate must be the Chief Executive Officer or President (or have a comparable level of responsibility) of a U.S.-owned or controlled company that is incorporated in and has its main headquarters located in the United States and is currently doing business in both India and the United States. Each candidate also must be a U.S. citizen or otherwise legally authorized to work in the United States and be able to travel to India and locations in the United States to attend official Forum meetings as well as Section meetings on the U.S. side. - The ability to address cross-cutting issues that affect the entire business community.

- The ability to initiate and be responsible for activities in which the Forum will be active.

- Prior work by the applicant on the U.S. Section of the Committee.

The evaluation of applications for membership in the U.S. Section will be undertaken by a committee of staff from multiple U.S. Government agencies. Members will be selected on the basis of who best will carry out the objectives of the Forum as stated in the last paragraph under Supplementary Information, above. The U.S. Section of the Committee should also include members who represent a diversity of business sectors and geographic locations. To the extent possible, Section members also should represent a cross-section of small, medium, and large firms.

U.S. Section members will receive no compensation for their participation in Forum-related activities. Individual members will be responsible for all travel and related expenses associated with their participation in the Forum, including attendance at Committee and Section meetings. It is anticipated that the next Forum meeting will be held in the first half of 2012 [in conjunction with senior level government exchanges]. The U.S. and Indian Sections should be prepared to work together ahead of that time to prepare recommendations to the U.S. and Indian governments. Only appointed members may participate in official Forum meetings; substitutes and alternates will not be designated. U.S. Section members will normally serve for two-year terms but may be reappointed.
