SUPPLEMENTARY INFORMATION: OEC, formed under Title XVIII of the Homeland Security Act of 2002, 6 U.S.C. 101 *et seq.*, as amended, is responsible for conducting nationwide outreach and providing technical assistance to foster the development of interoperable emergency communications capabilities for state, regional, local, and tribal governments. The collection of information is mostly electronic, but can also be received in paper form, to facilitate ease of registration and evaluation of OEC events. Evaluation forms will be available in hard copy at each training session, and time will be provided to complete the evaluation at the conclusion of the course.
