## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

Upon Written Request, Copy Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Form N-8A;

OMB Control No. 3235-0175, File No. 270-135.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The Investment Company Act of 1940, as amended ("1940 Act") (15 U.S.C. 80a-1 *et seq.*), requires investment companies to register with the Commission before they conduct any business in interstate commerce. Section 8(a) of the 1940 Act provides that an investment company shall be deemed to be registered upon receipt by the Commission of a notification of registration in such form as the Commission prescribes. Form N-8A (17 CFR 274.10) is the form for notification of registration that the Commission has adopted under section 8(a). The purpose of such notification of registration provided on Form N-8A is to notify the Commission of the existence of investment companies required to be registered under the 1940 Act and to enable the Commission to administer the provisions of the 1940 Act with respect to those companies. After an investment company has filed its notification of registration under section 8(a), the company is then subject to the

provisions of the 1940 Act which govern certain aspects of its organization and activities, such as the composition of its board of directors and the issuance of senior securities. Form N-8A requires an investment company to provide its name, state of organization, form of organization, classification, the name and address of each investment adviser of the investment company, the current value of its total assets and certain other information readily available to the investment company. If the investment company is filing a registration statement as required by Section 8(b) of the 1940 Act concurrently with its notification of registration, Form N-8A requires only that the registrant file the cover page (giving its name, address and agent for service of process) and sign the form in order to effect registration.

Each year approximately 130 investment companies file a notification on Form N-8A, which is required to be filed only once by an investment company. The Commission estimates that preparing Form N-8A requires an investment company to spend approximately 1 hour so that the total burden of preparing Form N-8A for all affected investment companies is 130 hours. Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collection of information on Form N-8A is mandatory. The information provided on Form N-8A is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
