

each importer and dividing this amount by the total quantity of those sales. The assessment rate will be assessed uniformly on all entries of that particular importer made during the POR. Pursuant to 19 CFR 351.106(c)(2), we will instruct the Customs Service to liquidate without regard to antidumping duties any entries for which the assessment rate is *de minimis* (i.e., less than 0.50 percent).

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of rebar from Turkey entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: 1) The cash deposit rates for the reviewed companies will be the rates indicated above; 2) for previously investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; 3) if the exporter is not a firm covered in this review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and 4) the cash deposit rate for all other manufacturers or exporters will continue to be 16.06 percent, the all others rate established in the LTFV investigation.

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: October 31, 2001.

Faryar Shirzad,
Assistant Secretary for Import Administration.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930 (the Act), as amended, requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend the 245-day time limit for the preliminary determination to a maximum of 365 days and for the final determination to extend the 120-day time limit to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the date of publication of the preliminary results.

Background

On April 30, 2001, the Department published a notice of initiation of administrative review of the countervailing duty on cotton shop towels from Pakistan, covering the period January 1, 2000 through December 31, 2000. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Review*, 66 FR 21310 (April 30, 2001). The preliminary results are currently due no later than December 3, 2001.

We determine that it is not practicable to complete the preliminary results of this review within the original time limit of 245 days. Therefore, the Department is extending the 245-day time limit for completion of the preliminary results until no later than

March 31, 2002. See Decision Memorandum from Melissa G. Skinner, Office Director for AD/CVD Office VI, to Bernard T. Carreau, Deputy Assistant Secretary, dated concurrently with this notice, which is on public file in the Central Records Unit, Room B-099 of the Department of Commerce. We intend to issue the final results no later than 120 days after the publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Act (19 U.S.C. 1675(a)(3)(A)).

Certain In-Shell Pistachios From Iran: Notice of Initiation of New Shipper Countervailing Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") has received a request for a new shipper review of the countervailing duty order on certain in-shell (*i.e.*, raw) pistachios from Iran. In accordance with our regulations, we are initiating this new shipper review.

EFFECTIVE DATE: November 7, 2001.

FOR FURTHER INFORMATION CONTACT: Eric B. Greynolds or Darla Brown at (202) 482-2786; AD/CVD Enforcement, Office

VI, Group II, Import Administration, International Trade Administration, US Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 ("the Act") by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations refer to the regulations codified at 19 CFR part 351 (2001).

SUPPLEMENTARY INFORMATION:

Background

The Department has received a request from Tehran Negah Nima Trading Company, Inc. ("Nima") to conduct a new shipper review of the countervailing duty order on certain in-shell pistachios, issued March 11, 1986 (51 FR 8344). This request was made pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b).

Initiation of Review

Pursuant to 19 CFR 351.214(b), in its request of September 18, 2001, Nima certified that it did not export the subject merchandise to the United States during the period of investigation ("POI") and that it is not now and never has been affiliated with any exporter or producer who exported the subject merchandise to the United States during the POI. Nima submitted documentation establishing the date on which its merchandise was first entered for consumption in the United States, the volume of that first shipment and the

date of its first sale to an unaffiliated customer in the United States.

In accordance with section 751(a)(2)(B) of the Act and section 351.214(d) of the Department's regulations, we are initiating a new shipper review of the countervailing duty order on certain in-shell pistachios from Iran. In accordance with 19 CFR 351.214(h)(i), we intend to issue the preliminary results of this review not later than 180 days from the date of publication of this notice. The Department's regulations state, in 19 CFR 351.214(g)(2), that the period of review for a CVD new shipper review will be the same period as that specified in 19 CFR 351.213(e)(2), which states that the Department normally will cover entries of subject merchandise during the most recently completed calendar year. However, the Department noted in the Preamble to its Final Regulations that the regulations continue to "provide the Department with sufficient flexibility to resolve any problems that may arise by modifying the standard review period." *Antidumping Duties; Countervailing Duties; Final Rule*, 62 FR 27320 (May 19, 1997). The Department's regulations permit a party to file a request for a new shipper review during the 6 month period preceding the anniversary month and the 6 month period preceding the semiannual anniversary month. If a calendar year standard is utilized, as noted in the Department's regulations, entries may enter during the current year, and be lost from the Department's analysis as a result. Because the Department believes that such a situation would arise in this instance, the POR will begin with the last fiscal quarter of the year 2000 and end with the third fiscal quarter of 2001.

Countervailing duty processing	Period to be reviewed
Iran: Certain In-shell Pistachios, C-507-501:Tehran Negah Nima Trading Company	10/01/00-09/30/01

Concurrent with publication of this notice, and in accordance with 19 CFR 351.214(e), we will instruct the Customs Service to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of the merchandise exported by the company listed above, until the completion of the review.

Interested parties may submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305.

This initiation notice is in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214.

Dated: October 31, 2001.
