January 12, 2011.

On July 12, 2010, at 8:30 a.m., the Commission received two preliminary permit applications for proposed

projects to be located at the New Savannah Bluff Lock and Dam on the Savannah River, near Augusta, Georgia.<sup>1</sup> The applications were filed by Lock+ Hydro Friends Fund XLIX, for Project No. 13808-000, and FFP Missouri 14, LLC, for Project No. 13813-000.

In the event that the Commission concludes that neither applicant's plans are better adapted than the other, priority will be determined accordingly.

On January 18, 2011, at 2 p.m. (Eastern Time), the Secretary of the Commission, or her designee, will, by random drawing, determine the filing priority for the two applicants identified in this notice. The drawing is open to the public and will be held in room 2C, the Commission Meeting Room, located at 888 First Street, NE., Washington, DC 20426. The results of the drawing will be recorded by the Secretary or her designee. A subsequent notice will be
