### Federal Railroad Administration

[Docket Number FRA-2010-0091]

#### Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that by a document dated October 26, 2012, the Port Manatee Railroad (PMRR) has petitioned the Federal Railroad Administration (FRA) for an extension of its waiver of compliance from certain provisions of the Federal hours of service laws contained at 49 U.S.C. 21103(a)(4). FRA assigned the petition Docket Number FRA-2010-0091.

In their petition, PMRR seeks relief from 49 U.S.C. 21103(a)(4), which in part requires a train employee to receive 48 hours off duty after initiating on-duty periods for 6 consecutive days. Specifically, PMRR seeks an extension of the waiver to allow a train employee to initiate on-duty periods for 6 consecutive days followed by 24 hours off-duty. In support of its request, PMRR explained that it is a small marine terminal switching railroad with only seven train employees, and that switching operations are always performed within the confines of Port Manatee, which consists of slow speed yard tracks. Additionally, PMRR argues that when its covered service employees are off duty they return to their residences, and are never required to deadhead or receive rest at lodging facilities as part of their railroad service.
