

conditions, and prescriptions is shortened to 30 days from the issuance date of this notice. All reply comments filed in response to comments submitted by any resource agency, Indian tribe, or person, must be filed with the Commission within 45 days from the issuance date of this notice.

Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

l. *Description of Project:* The proposed DeWitt Pipeline Hydroelectric Project would consist of: (1) An existing flow control building containing one turbine generating unit having an installed capacity of 200 kilowatts; and (2) appurtenant facilities. The project would have an estimated annual generation of 930,000 kilowatt-hours. The applicant plans to use the generated energy.

n. *Development Application*—Any qualified applicant desiring to file a competing application must submit to the Commission, on or before the specified deadline date for the particular application, a competing development application, or a notice of intent to file such an application. Submission of a timely notice of intent allows an interested person to file the competing development application no later than 120 days after the specified deadline date for the particular application. Applications for

preliminary permits will not be accepted in response to this notice.

o. *Notice of Intent*—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit a competing development application. A notice of intent must be served on the applicant(s) named in this public notice.

p. *Protests or Motions to Intervene*—Anyone may submit a protest or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, 385.211, and 385.214. In determining the appropriate action to take, the Commission will consider all protests filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any protests or motions to intervene must be received on or before the specified deadline date for the particular application.

q. All filings must (1) bear in all capital letters the title "PROTEST", "MOTION TO INTERVENE", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "COMMENTS", "REPLY COMMENTS," "RECOMMENDATIONS," "TERMS AND CONDITIONS," or "PRESCRIPTIONS;" (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, recommendations, terms and conditions or prescriptions must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). Agencies may obtain copies of the application directly from the applicant. Any of these documents must be filed by providing the original and eight copies to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. An additional copy must be sent to Director, Division of Hydropower Administration and Compliance, Office of Energy Projects, Federal Energy Regulatory Commission, at the above address. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. A copy of all other filings in reference to this application must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in

accordance with 18 CFR 4.34(b) and 385.2010.

[Docket Nos. CP11-24-000; PF10-18-000]

Ryckman Creek Resources, LLC; Notice of Application

November 23, 2010.

Take notice that on November 8, 2010, Ryckman Creek Resources, LLC (Ryckman), 3 Riverway, Suite 1110, Houston, TX 77056, filed in Docket No. CP11-24-000 an application pursuant to Section 7(c) of the Natural Gas Act (NGA) and Part 157 and 284 of the Commission's regulations seeking authorization construct and operate an underground natural gas storage facility to provide up to 35 billion cubic feet

(Bcf) of working gas capacity in Uinta County, Wyoming, all as more fully set forth in the application, which is on file with the Commission and open to public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208-3676 or TTY, (202) 502-8659.

Ryckman requests that the Commission issue an order granting it: (1) A certificate of public convenience and necessity to develop, construct, own, operate and maintain a new interstate natural gas storage facility to be developed from an existing partially depleted oil field in Uinta County, Wyoming; (2) a blanket certificate under Part 284, Subpart G, of the Commission's regulations authorizing Ryckman to provide open-access non discriminatory natural gas storage and related services with pre-granted abandonment of such services; (3) a blanket certificate under Part 157, Subpart F, of the Commission's regulations authorizing Ryckman to construct, acquire, operate and abandon certain facilities in accordance with the Commission's regulations; (4) authorization to charge market-based rates for the proposed natural gas storage and hub services, including interruptible wheeling services; (5) approval of the *pro forma* FERC Gas Tariff pursuant to which Ryckman will provide open-access, non-discriminatory natural gas storage and hub services, including interruptible wheeling services, consistent with the Commission's policies; and (6) waiver of certain Commission regulations and requirements that have been found to be inapplicable to storage providers granted market-based rate authority.

Any questions regarding this application should be directed to Thomas Wynne, Ryckman Creek Resources, LLC, 3 Riverway, Suite 1110, Houston, Texas 77056, telephone (713) 974-5600, or facsimile (713) 974-5601, or e-mail twynne@peregrinemp LLC.com.

On April 26, 2010, the Commission staff granted Ryckman's request to use the pre-filing process and assigned Docket No. PF10-18-000 for this proceeding during the pre-filing review of the Ryckman Creek Storage project. Now, as of the filing of Ryckman's application on November 8, 2010, the pre-filing process for this project has ended. From this time forward, Ryckman's proceeding will be
