Analysis of Agreement Containing Consent Order To Aid Public Comment

The Federal Trade Commission, subject to its final approval, has accepted for public comment an Agreement Containing Consent Orders (“Consent Agreement”) with TC Group, L.L.C. The proposed Consent Agreement remedies the anticompetitive effects that otherwise would be likely to result from the acquisition described herein.

Carlyle and Riverstone have worked together to form, manage, and operate several private equity funds that focus on energy-related investments. One of these funds is CR-III, which, through the Acquisition, will acquire approximately 11.3% of the equity in KMI. In addition, CP-IV will also acquire approximately 11.3% of the equity in KMI. Another fund that is jointly controlled and managed by Carlyle and Riverstone, CR-II, holds interests in various energy firms, including, as relevant here, a 50% interest in the general partner that controls Magellan Midstream Partners, L.P. (“Magellan”), a midstream terminal and pipeline company that competes
