

Determination

As a result of the determinations by the Department and the Commission that revocation of the antidumping duty orders on POS cooking ware from China, Mexico, and Taiwan would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty orders on POS cooking ware from China, Mexico, and Taiwan. The Department will instruct the U.S. Customs Service to continue to collect antidumping duty deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of these orders will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to sections 751(c)(2) and 751 (c)(6)(A) of the Act, the Department intends to initiate the next five-year review of these orders not later than March 2005.

Dated: April 7, 2000.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

On October 1, 1999, the Department published a notice of initiation of an administrative review of the antidumping duty order on sulfanilic acid from the People's Republic of China, covering the period August 1, 1998 through July 31, 1999 (64 FR 53318).
