The RACs serve in an advisory capacity to BLM and U.S. Forest Service officials. All meetings are open to the public in their entirety. Information to be distributed to the RACs is requested before the start of each meeting.

The jurisdictional boundaries of the John Day-Snake and Southeast Oregon RACs encompass over half of the State of Oregon. Agenda items for the joint meeting include updates regarding the Southeastern Oregon and Lakeview Resource Management Plan Amendments processes; district updates, to include wild horses and burros, wildfire management, and the Great American Outdoors Act; and a presentation by the Oregon Department of Natural Resources on mule deer.

Agenda items for the Southeast Oregon RAC meeting include an overview of programmatic Environmental Impact Statements and Categorical Exclusions relating to land management in Oregon; briefings regarding environmental analyses, impact statements, and proposed management actions on the Lakeview, Burns, and Vale districts; and rangeland and grazing management. Agenda items for the John Day-Snake RAC meeting include campground and cabin rental recreation fees in the Wallowa-Whitman National Forest; district and national forest updates; and a discussion on motorized and nonmotorized trail access.

The public may address the John Day-Snake and Southeast Oregon RACs during the public comment portion of the meetings on June 23, 24 and June 25, 2021. Depending on the number of persons wishing to speak, and the time available, the time for individual comments may be limited.
