### Background

On July 16, 2020, the Commission issued a *Notice of Intent to Prepare an Environmental Assessment for the Proposed Noble Gas Project and Request for Comments on Environmental Issues* (NOI). The NOI was sent to affected landowners; federal, state, and local government agencies; elected officials; environmental and public interest groups; Native American tribes; other interested parties; and local libraries and newspapers. The Commission received no comments in response to the NOI. The U.S. Department of Transportation—Pipeline and Hazardous Materials Safety Administration is a cooperating agency in the preparation of the EA.
