[Docket No. CP25-12-000]

Rover Pipeline, LLC; Notice of Revised Schedule for Environmental Review of the Rover-Bulger Compressor Station and Harmon Creek Meter Station Expansion Project

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the environmental assessment (EA) for Rover Pipeline, LLC's (Rover) Rover-Bulger Compressor Station and Harmon Creek Meter Station Expansion Project (Project).¹ The first notice of schedule, issued on December 30, 2024, identified May 5, 2025, as the EA issuance date. However, as indicated in a filing dated April 30, 2025, Rover requires additional time to respond to staff's April 24, 2025, environmental information request, and subsequently, staff will require additional time to process this response. As a result, staff has revised the schedule for issuance of the EA. The EA will be issued for a 30-day comment period.

Schedule for Environmental Review

Issuance of the EA: June 25, 2025
90-day Federal Authorization Decision
Deadline: ² September 23, 2025

If a schedule change becomes necessary, an additional notice will be provided so that the relevant agencies are kept informed of the project's progress.

Additional Information

In order to receive notification of the issuance of the EA and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. ¹ For tracking purposes under the National Environmental Policy Act, the unique identification number for documents relating to this environmental review is EAXX-019-20-000-1745398211.

² The Commission's deadline applies to the decisions of other Federal agencies, and State agencies acting under federally delegated authority, that are responsible for Federal authorizations, permits, and other approvals necessary for proposed projects under the Natural Gas Act. Per 18 CFR 157.22(a), the Commission's deadline for other agency's decisions applies unless a schedule is otherwise established by Federal law.

The Commission's Office of Public Participation (OPP) supports meaningful public engagement and participation in Commission proceedings.
