SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs (OWCP) administers the Federal Employees' Compensation Act (FECA). Section 8104(a) of the Act provides vocational rehabilitation services to eligible injured Federal employees that are paid from the Employees' Compensation Fund. Authority has been granted to OWCP to use amounts from the fund to reimburse a private sector employer who has hired a rehabilitated injured Federal employee for a portion of his or her salary. The information collected on Form CA-2231 provides OWCP with the necessary remittance information for the employer, documents the hours of work, certifies the payment of wages to the claimant for which reimbursement is sought, and summarizes the nature and costs of the wage reimbursement program for a prompt decision by OWCP. This information collection is currently approved for use through June 30, 2004.
