

decline incomplete applications or applications failing to provide required documentation.

2. *Risk Assessment and Specific Conditions:* Consistent with 2 CFR 200.205, before awarding grants under this competition, the SBA conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Administrator may impose specific conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

3. *Integrity and Performance System:* If you are selected under this opportunity to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently \$250,000), under 2 CFR 200.205(a)(2), we must make a judgment about your integrity, business ethics, and record of performance under Federal awards, that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds \$10,000,000, the reporting requirements in 2 CFR part 200, appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, appendix XII, if this grant plus all the other Federal funds you receive exceed \$10,000,000.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we will notify you via electronic correspondence containing a link to access an electronic version of your grant award notification.

If your application is not evaluated or not selected for funding, we will notify you.

2. *Administrative and National Policy Requirements:* If awarded funds under this grant, the recipient must agree to cooperate with all financial monitoring

and audit reviews conducted by SBA, its agents, or contractors.

3. Reporting:

(a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170, should you receive funding under the opportunity. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) After using all the funds awarded to you, you must submit a final report, including financial information, as directed by the Administrator.

4. *Documentation*—Additional documentation requirements that are consistent with the eligibility and other requirements under this NOFO, including requiring an eligible person or entity that receives a grant under this funding opportunity to retain records that document compliance with the requirements for grants under this program—

(a) with respect to employment records, for the 4-year period following receipt of the grant; and

(b) with respect to other records, for the 3-year period following receipt of the grant.
