Title: Division of Unaccompanied Children’s Services (DUCS) Request for Specific Consent.
OMB No.: New Collection.
Description: The William Wilberforce Trafficking Victims Protection Reauthorization Act of 2008 (TVPPRA of 2008), Public Law 110–457 was enacted into law December 23, 2008. Section 235(d) directs the Secretary of HHS to grant or deny requests for specific consent for unaccompanied alien children in HHS custody who seek to invoke the jurisdiction of a State court for a dependency order and who also seek to invoke the jurisdiction of a State court to determine or alter his or her custody status or release from ORR. These requests can be extremely time sensitive since a child must ask a State court for dependency before turning 18 years old.

In developing procedures for collecting the necessary information from unaccompanied alien children, their attorneys, or other representatives to allow HHS to approve or deny consent requests, ORR/DUCS devised a form. Specifically, the form asks the requestor for his/her identifying information, basic identifying information on the unaccompanied alien child, the name of the HHS-funded facility where the child is in HHS custody and care, the name of the court and its location, and the kind of request (*e.g.*, for a change in custody, *etc.*). The form also asks that the unaccompanied alien child’s attorney or authorized representative attach a Notice of Representation, which is an approved Federal government agency form used for immigration procedures that authorizes the attorney to act on behalf of the child (*i.e.*, G–28, EOIR–28, EOIR–29), or any other form of authorization to act on behalf of the unaccompanied alien child.
Respondents: Attorneys, accredited legal representatives, or others authorized to act on behalf of an unaccompanied alien child.
