The Board usually meets three times each calendar year, twice at different locations along the U.S. border with Mexico, and once in Washington, DC. It was created in 1992 by the Enterprise for the Americas Initiative Act, Public Law 102-532, 7 U.S.C. Section 5404. The statute calls for the Board to have representatives from U.S. Government agencies; the states of Arizona, California, New Mexico and Texas; and tribal and private organizations with experience in environmental and infrastructure issues along the U.S.-Mexico border.

The purpose of the meeting is to continue discussion on the Board's 14th report, which is focusing on the environmental and economic benefits of renewable energy development in the border region. Panel discussions will take place on economic opportunities and community impacts in the U.S.-Mexico border region. A copy of the meeting agenda will be posted at <http://www.epa.gov/ocem/gneb>.
