Food and Nutrition Service

Title: WIC Farmers' Market Nutrition Program (FMNP) Forms and Regulations.

OMB Control Number: 0584–0447.

Summary of Collection: The Farmers' Market Nutrition Program (FMNP) is associated with the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) and was established by Congress in 1992. The FMNP is authorized by Section 17(m) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(m)), as

amended. The FMNP was established to provide fresh, nutritious, unprepared locally grown fruits and vegetables from farmers' markets and roadside stands to WIC participants; to expand the awareness and use of farmers' markets; and to increase sales at such markets. Women, infants (over 4 months old) and children that have been certified to receive WIC Program benefits or who are on a waiting list for WIC certification are eligible to participate in the WIC FMNP. The Food and Nutrition Service (FNS) will collect information from each state that receives a grant under the FMNP program in conjunction with the preparation of annual financial and recipient reports.

Need and Use of the Information: The respondents to this information collection are FMNP State and local agencies (including Indian Tribal Organizations, District of Columbia, and Territories), participants, local agencies that are for-profit or non-profit businesses, and FMNP authorized outlets (farmers, farmers' markets, and roadside stands). The State and local agencies collect and maintain information related to program operation and administration, while the participants and FMNP authorized outlets provide the eligibility information needed to participate in the program. Some of the information requirements in this collection are mandatory, while others are required to obtain or retain a benefit. FNS uses the information to assess how each FMNP State agency operates; to ensure the accountability of State agencies, local agencies, and farmers/farmers' markets/roadside stands; to make program management decisions; and to report to Congress as needed.

Description of Respondents: State, Local, or Tribal Government; Individuals or Households; Business or other-for-profit; Not-for-profit institutions; and Farms.

Number of Respondents: 1,581,402.

Frequency of Responses: Recordkeeping; Reporting: Annually; Semi-annually; Quarterly; and Other (every one to three years).

Total Burden Hours: 1,640,907.
