SUPPLEMENTARY INFORMATION:

I. Background

The National Archives and Records Administration (NARA) established the Freedom of Information Act (FOIA) Advisory Committee (Committee) in accordance with the United States Second Open Government National Action Plan, released on December 5, 2013. The Committee operates under the directive in FOIA, 5 U.S.C. 552(h)(2)(C), that the Office of Government Information Services (OGIS) within NARA “identify procedures and methods for improving compliance” with FOIA. The Committee is governed by the provisions of the Federal Advisory Committee Act, as amended, 5 U.S.C. app.

II. Charter and Membership Appointment Terms

NARA initially chartered the Committee on May 20, 2014. The Archivist of the United States renewed the Committee’s charter for a fifth term on April 28, 2022, and certified that renewing the Committee is in the public interest. Member appointment terms run for two years, concurrent with the Committee charter.

III. Committee Membership

The 2022–2024 FOIA Advisory Committee will consist of no more than 20 individuals who will include a range of Government and non-Government representatives. Members are selected in accordance with the charter. Appointments to the Committee will consider factors such as geographic diversity; diversity in size of company or organization to be represented; and diversity in representations of business and industry, academic institutions, non-profit and non-governmental organizations, and other stakeholders in accordance with the charter. Government members will include, at a minimum: Three FOIA professionals from Cabinet-level Departments; three FOIA professionals from non-Cabinet agencies; the Director of the Department of Justice’s Office of Information Policy or their designee; and the Director of OGIS or their designee.

Non-Governmental members will include, at a minimum: Two individuals representing the interests of non-Governmental organizations that advocate on FOIA matters; one individual representing the interests of FOIA requesters who qualify for the “all other” FOIA requester fee category; one individual representing the interests of requesters who qualify for the “news media” FOIA requester fee category; one individual representing the interests of requesters who qualify for the “commercial” FOIA requester fee category; one individual representing the interests of historians and history-related organizations; and one individual representing the interests of academia.

IV. Committee Members’ Responsibilities

All Committee members are expected to attend a minimum of nine public meetings during the two-year Committee term. Meetings will be held in-person or virtually depending on COVID–19 community levels. All Committee members are expected to volunteer for one or more working subcommittees that will meet at various times during the two-year term. The first

meeting of the 2022–2024 Committee term is scheduled for Thursday, September 8, 2022. Meeting notices will be published in the **Federal Register**.

V. Nomination Information

All nominations for Committee membership must include the following information:

1. *If you are self-nominating*: Your name, title, relevant contact information (including telephone and email address); your résumé or curriculum vitae; and the representative role for which you wish to be considered.

2. *If you are nominating another individual*: The nominee's name, title, and relevant contact information; their résumé or curriculum vitae; and the representative role for which you wish your nominee to be considered.

3. *For both self-nominations and nominations by other individuals*: Your submission must include a statement (not to exceed one page) highlighting the contributions the nominee would make as a member of the Committee.

The Acting Archivist of the United States will review the nominations and make final appointments prior to the first Committee meeting in September. OGIS will notify the appointees in writing.

SUPPLEMENTARY INFORMATION:

Title of Collection: Office of Small and Disadvantaged Business Utilization Vendor Outreach Form.

OMB Control No.: 3145–New.

Abstract: The purpose of the National Science Foundation's (NSF) Office of Small and Disadvantaged Business Utilization (OSDBU) Vendor Information form is to collect vendor contact information (company name, point of contact name, email address, phone number), along with identifiers such as NAICS codes, SAM ID, DUNS#, description of supplies/services, and Socio-economic indicator. This will assist the NSF OSDBU in maintaining a database of small businesses that can provide supplies and/or services for requirements listed on the NSF Acquisition Forecast. Collecting this information supports the mission of the OSDBU, as outlined in section 15k of the Small Business Act, and ensures that small businesses can participate in NSF acquisitions to the maximum extent practicable. In addition, the Biden Administration has made it a priority to ensure equity in federal contracting via Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities through the Federal Government*, and implemented in OMB M–22–03,

Advancing Equity in Federal Procurement. The President directed federal agencies to make Federal contracting and procurement opportunities more readily available to all eligible vendors and charged every agency to assess available tools to increase opportunities for small businesses and underserved entrepreneurs to compete for Federal contracts. This form will allow us to reach vendors, to a greater extent, through our external website on NSF.gov and participation in various conferences and conventions, which ensures NSF complies with these mandates.

Respondents: Small and disadvantaged businesses.

Estimated Number of Annual Respondents: 275.

Burden on the Public: Estimated 15 minutes to fill out the form, including the collection of data to fill in the fields. This information should be readily available as most companies have capability statements that include this information. The estimated burden time is 69 hours.

Dated: June 2, 2022.

Suzanne H. Plimpton,

Reports Clearance Officer, National Science Foundation.
