**RIN 1094-AA56**

**Practices Before the Department of the Interior**

**AGENCY:** Office of Hearings and Appeals, Interior.

**ACTION:** Direct final rule.

**SUMMARY:** The Office of Hearings and Appeals (OHA) is amending department regulations to provide parties to a hearing or appeal the option of sending and receiving documents electronically;

to specifically recognize the OHA Director's authority to issue Standing Orders to provide procedural information to parties and the public; and to make clear that OHA will communicate information on how and where to file and serve documents through OHA Standing Orders issued by the Director and posted on OHA's Department of the Interior website. This rule removes specific office addresses, some outdated, from the regulatory text and provides for up-to-date contact information to be provided in OHA Standing Orders on Contact Information. This rule further provides that OHA may issue Standing Orders to provide procedural information in an emergency or to address an immediate need, such as an office closure, natural disaster or other unanticipated event. This rule, and the associated Standing Orders, would not add to, change, or diminish any substantive rights of any parties or the public.

**DATES:** This rule is effective on March 16, 2023 without further notice, unless OHA receives significant adverse written comment by March 1, 2023 on the amendments. If significant adverse comments are received on the amendments, OHA will publish a timely withdrawal in the **Federal Register** clarifying which provisions will become effective and which provisions are being withdrawn due to adverse comment.

**ADDRESSES:** You may send comments, identified by Docket No. DOI-2022-0010 by any of the following methods:

- *Federal eRulemaking Portal:* <https://www.regulations.gov> (our preferred method). Follow the online instructions for submitting comments.
- *Mail:* Office of Hearings and Appeals, 801 North Quincy Avenue, Suite 300, Arlington, VA 22203.
- *Hand/Courier Delivery:* Office of Hearings and Appeals, 801 North Quincy Avenue, Suite 300, Arlington, VA 22203. OHA's hours of operation are 8:30 a.m.-4:30 p.m., Monday-Friday (except federal holidays).

*Instructions:* All submissions received must include Docket No. DOI-2022-0010 for this rulemaking. Comments received may be posted without change to <https://www.regulations.gov>, including any personal information provided.

**SUPPLEMENTARY INFORMATION:** OHA is modernizing its practice and improving services to the parties who appear before OHA and the public. OHA is issuing this rule to update its regulations in 43 CFR part 4 to provide the option to send and receive documents electronically, obtain up-to-date contact information and procedural information through the use of Standing Orders, and to remove outdated or unnecessary references in the existing regulations. These revisions do not impose new obligations on parties or the public. For example, parties may still submit paper documents but will have the option under the revised regulations to submit documents electronically.

Because the rule does not diminish any substantive rights or require parties to alter their current procedural practices, we are publishing this rule without a prior proposal because of its noncontroversial nature. Nonetheless, this rule will not become effective until the date specified in **DATES** so that we may receive public comment on the rule. If we receive significant adverse comments by the comment due date specified in **DATES**, we will publish a document in the **Federal Register** withdrawing the rule, in whole or in part, before the rule goes into effect. Significant adverse comments are comments that provide strong justification as to why our rule should not be adopted or why it should be changed.

The backdrop for this Direct Final Rule is OHA's interest in providing electronic transmission options as an improved service as well as establishing how it will communicate new processes as they are developed. In March 2020, at the onset of the COVID-19 pandemic, OHA reviewed its options to use existing technology to quickly meet the needs of parties, the public, and its employees and posted this information on the OHA website. OHA offered, where possible, the option of using electronic mail to transmit documents to certain OHA units, allowing many cases to proceed without the need for trips to the office or post office. This was intended to serve as a limited short-term solution since electronic mail restricts the size of the files that may be transmitted and because OHA's regulations, in some subparts, utilized terms, such as references to paper, that potentially limited OHA's ability to offer an electronic transmission option.

As a long-term solution, OHA has acquired a comprehensive electronic filing and case docket management system and is presently working on its development and deployment. To accompany this effort, this rule removes potential regulatory constraints to fully offering electronic transmission options by providing for consistent language describing the available options to file, serve, and receive documents electronically under specified conditions. The rule does not remove paper or mail transmission options but using terms that are more inclusive to provide for the added option of electronic transmission.

OHA also considered how best to provide parties and the public with procedural information on how to file, serve, and transmit documents electronically, as well as provide them with other information such as up-to-date office addresses. Fixing in regulation this type of information creates potential problems for parties because the information can quickly become outdated. To address this problem, consistent with existing practice, OHA decided to use Standing Orders issued by the Director of OHA as the mechanism for communicating up-to-date information to the parties and the public. Using Standing Orders rather than some other type of guidance aligns

with how OHA communicates to interested individuals or parties in an administrative adjudicative setting. A Standing Order issued by the OHA Director applies to all cases or appeals filed with OHA, and it is issued under the Director's authority to issue general notices pertaining to the functions assigned to OHA under 212 Departmental Manual (DM) 13.7. This rule amends the current regulations in 43 CFR part 4 to explicitly recognize the Director's authority to issue Standing Orders.

Standing Orders on Electronic Transmission will provide the options and procedures for electronic transmission of documents and will be updated as procedures under the electronic filing system are deployed, improved, and potentially expanded. Standing Orders on Contact Information will provide the contact information for Department offices that the rule removes from the regulatory text (some of which is outdated). By providing this information in a Standing Order, if an office moves to a new location or its contact information otherwise changes, updates may be made without the need to promulgate new regulations. And finally, if OHA has an emergency or immediate need, such as an unexpected closure of an office, the rule allows the OHA Director to issue Standing Orders

to communicate to parties who have a pending appeal or a scheduled hearing or those members of the public seeking an appeal or hearing what processes are being used to address the particular situation. The OHA Director may issue more than one Standing Order on a topic.

The use of OHA Standing Orders will provide parties and the public with up-to-date information that is easily referenced and in a format that may be sent individually or as an attachment, in paper or electronically, when needed. OHA would otherwise post this information on the website directly.

This rule makes other miscellaneous corrections, such as revising outdated references, such as those to "Examiners" who no longer exist in the context of the regulation, and to the "Board of Contract Appeals," which was abolished by Congress, effective January 6, 2007, with its functions transferred to a new Civilian Board of Contract Appeals (CBCA) within the General Services Administration. The rule corrects several inaccurate references. OHA is taking this action under its authority, at 5 U.S.C. 552, to publish regulations in the **Federal Register**.

**Procedural Requirements***A. Regulatory Planning and Review (E.O. 12866 and E.O. 13563)*

Executive Order (E.O.) 12866 provides that the Office of Information and Regulatory Affairs (OIRA) at the Office of Management and Budget (OMB) will review all significant rules. OIRA has determined that this rule is not significant.

E.O. 13563 reaffirms the principles of E.O. 12866 while calling for improvements in the Nation’s regulatory system to promote predictability, to reduce uncertainty, and to use the best, most innovative, and least burdensome tools for achieving regulatory ends. The E.O. directs agencies to consider regulatory approaches that reduce burdens and maintain flexibility and freedom of choice for the public where these approaches are relevant, feasible, and consistent with regulatory objectives. E.O. 13563 emphasizes further that regulations must be based on the best available science and that the rulemaking process must allow for public participation and an open exchange of ideas. We have developed this rule in a manner consistent with these requirements.

*B. Regulatory Flexibility Act*

The Department of the Interior certifies that this document will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). It does not change current funding requirements and would not impose any economic effects on small governmental entities.

*C. Small Business Regulatory Enforcement Fairness Act*

This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. It

does not add to, change, or diminish any substantive rights of any parties or the public. It provides parties to OHA proceedings the option to file documents electronically, removes outdated information and references, and authorizes the use of OHA Standing Orders as the means of communicating current information on contract information, electronic filing, and other procedural matters. This rule:

(a) Will not have an annual effect on the economy of \$100 million or more.

(b) Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions.

(c) Will not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of the U.S.-based enterprises to compete with foreign-based enterprises.

*D. Unfunded Mandates Reform Act*

This rule does not impose an unfunded mandate on State, local, or Tribal governments or the private sector of more than \$100 million per year. The rule does not have a significant or unique effect on State, local, or Tribal governments or the private sector. A statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

*E. Takings (E.O. 12630)*

This rule does not affect a taking of private property or otherwise have taking implications under E.O. 12630. A takings implication assessment is not required.

*F. Federalism (E.O. 13132)*

Under the criteria in section 1 of E.O. 13132, this rule does not have sufficient federalism implications to warrant the

preparation of a federalism summary impact statement. A federalism summary impact statement is not required.

*G. Civil Justice Reform (E.O. 12988)*

This rule complies with the requirements of E.O. 12988. Specifically, this rule: (a) meets the criteria of section 3(a) requiring that all regulations be reviewed to eliminate errors and ambiguity and be written to minimize litigation; and (b) meets the criteria of section 3(b)(2) requiring that all regulations be written in clear language and contain clear legal standards.

*H. Consultation With Indian Tribes (E.O. 13175)*

The Department of the Interior strives to strengthen its government-to-government relationship with Indian Tribes through a commitment to consultation with Indian Tribes and recognition of their right to self-governance and Tribal sovereignty. We have evaluated this rule under the Department’s consultation policy and under the criteria in E.O. 13175 and have determined there are no substantial direct effects on federally recognized Indian Tribes that will result from this rulemaking.

*I. Paperwork Reduction Act*

This rule does not contain information collection requirements, and a submission to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) is not required. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

### J. National Environmental Policy Act

This rule does not constitute a major Federal action significantly affecting the quality of the human environment. A detailed statement under the National Environmental Policy Act of 1969 (NEPA) is not required because this is an administrative and procedural regulation under 43 CFR 46.210(i). We have also determined that this rule does not involve any of the extraordinary circumstances listed in 43 CFR 46.215 that would require further analysis under NEPA.

### K. Effects on the Energy Supply (E.O. 13211)

This rule is not a significant energy action under the definition in E.O. 13211. A Statement of Energy Effects is not required.

### L. Clarity of This Regulation (Plain Language)

We are required by Executive Orders 12866 (section 1(b)(12)), and 12988 (section 3(b)(1)(B)), and 13563 (section 1(a)), and by the Presidential Memorandum of June 1, 1998, to write all rules in plain language. This means that each rule we publish must:

- (a) Be logically organized;
- (b) Use the active voice to address readers directly;
- (c) Use clear language rather than jargon;
- (d) Be divided into short sections and sentences; and
- (e) Use lists and tables wherever possible.

If you feel that we have not met these requirements, send us comments by one of the methods listed in the **ADDRESSES** section. To better help us revise the rule, your comments should be as specific as possible. For example, you should tell us the numbers of the sections or paragraphs that are unclearly written, which sections or sentences are too long, the sections where you believe lists or tables would be useful, etc.

### M. Public Availability of Comments

You may submit your comments and materials regarding this direct final rule by one of the methods listed in **ADDRESSES**. We will post all comments on <https://www.regulations.gov>. This generally means that we will post any personal information you include with your comment.

Comments and materials we receive will be available for public inspection on the internet at <https://www.regulations.gov>. However, the comment will not be publicly viewable until we post it, which might not be immediate (see **FOR FURTHER INFORMATION CONTACT**).

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

#### Civil Penalties; 2023 Inflation Adjustments for Civil Monetary Penalties

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Final rule.

**SUMMARY:** The U.S. Fish and Wildlife Service (Service or we) is issuing this final rule, in accordance with the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Inflation Adjustment Act) and Office of Management and Budget (OMB) guidance, to adjust for inflation the statutory civil monetary penalties that may be assessed for violations of Service-administered statutes and their implementing regulations. We are required to adjust civil monetary penalties annually for inflation according to a formula specified in the Inflation Adjustment Act. This rule replaces the previously issued amounts with the updated amounts after using the 2023 inflation adjustment multiplier provided in the OMB guidance.

**DATES:** This rule is effective January 30, 2023.

**ADDRESSES:** This rule may be found on the internet at <https://www.regulations.gov> in Docket No. FWS–HQ–LE–2022–0176.

#### SUPPLEMENTARY INFORMATION:

##### Background

The regulations in title 50 of the Code of Federal Regulations at 50 CFR part 11 provide uniform rules and procedures for the assessment of civil penalties resulting from violations of certain laws and regulations enforced by the Service.

The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (sec. 701 of Pub. L. 114–74) (Inflation Adjustment Act) required Federal agencies to adjust the level of civil monetary penalties with an initial “catch up” adjustment through rulemaking and then make subsequent annual adjustments for inflation. The purpose of these adjustments is to maintain the deterrent effect of civil penalties and to further the policy goals of the underlying statutes.

Under section 4 of the Federal Civil Penalties Inflation Adjustment Act of 1990, 28 U.S.C. 2461 note, as amended by the Inflation Adjustment Act, each Federal agency is required to issue regulations adjusting for inflation the statutory civil monetary penalties (civil penalties) that can be imposed under the laws administered by that agency. The Inflation Adjustment Act provided that the initial “catch up adjustment” take effect no later than August 1, 2016, followed by subsequent adjustments to be made no later than January 15 every year thereafter. This final rule adjusts the civil penalty amounts that may be imposed pursuant to each statutory provision beginning on the date specified above in **DATES**.

On June 28, 2016, the Service published in the **Federal Register** an interim rule that revised 50 CFR part 11 (81 FR 41862) to carry out the Inflation Adjustment Act. The Service subsequently published a final rule to that interim rule on December 23, 2016 (81 FR 94274). The Service has published final rules every year thereafter, further adjusting the civil penalty amounts in 50 CFR 11.33 per OMB guidance:

- 82 FR 6307, January 19, 2017;
- 83 FR 5950, February 12, 2018;
- 84 FR 15525, April 16, 2019;
