

produce the indexes and statistical summaries required by the Rule, and thus, estimated very low capital or start-up costs.

The only additional cost imposed on IDSMs operating under the Rule that would not be incurred for other IDSMs is the annual audit requirement. According to representatives of each of the IDSMs currently operating under the Rule, the vast majority of costs associated with this requirement are the fees paid to the auditors and their staffs to perform the annual audit. Representatives of the IDSMs estimated a combined cost of \$300,000 for both IDSMs currently operating under the Rule.

**Other non-labor costs:** \$29,000 in copying costs. This total is based on estimated copying costs of 7 cents per page and several conservative assumptions. Staff estimates that the average dispute-related file is 35 pages long and that a typical annual audit file is approximately 200 pages in length. As discussed above, staff assumes that twenty percent of consumers using an IDSM currently operating under the Rule (approximately 4,896 consumers) request copies of the records relating to their disputes.

Staff also estimates that a very small minority of consumers request a copy of the annual audit. This assumption is based on (1) the number of consumer requests actually received by the IDSMs in the past; and (2) the fact that the IDSMs' annual audits are available online. For example, annual audits are available on the FTC's web site, where consumers may view and or print pages as needed, at no cost to the IDSM. In addition, the Better Business Bureau makes available on its web site the annual audit of the BBB AUTO LINE. Therefore, staff conservatively estimates that only five percent of consumers using an IDSM covered by the Rule (approximately 1,224 consumers) will request a copy of the IDSM's audit report.

Thus, the total annual copying cost for dispute-related files is approximately \$11,995 (35 pages per file x \$.07 per page x 4,896 consumer requests) and the total annual copying cost for annual audit reports is approximately \$17,136 (200 pages per audit report x \$.07 per page x 1,224 consumer requests). Accordingly, the total cost attributed to copying under the Rule is approximately \$29,131 and the total non-labor cost under the Rule is approximately \$329,131 (\$300,000 for

auditor fees + \$29,131 for copying costs).

### Temporary Duty and Relocation Travel of Employees to Areas Impacted by the Wildfires in California

**AGENCY:** Office of Governmentwide Policy, General Services Administration (GSA).

**ACTION:** Notice of Federal Travel Regulation (FTR) Bulletin 08-02.

**SUMMARY:** The General Services Administration (GSA) has issued FTR Bulletin 08-02. FTR Bulletin 08-02 informs agencies that certain provisions of the FTR governing the authorization of actual subsistence expenses for official travel (both TDY and relocation) are temporarily waived as a result of the Emergency Declaration signed by the President on October 23, 2007, in response to wildfires in parts of California. It is expected that finding lodging facilities and/or adequate meals in the affected areas may be difficult, and distances involved may be great resulting in increased costs for per diem expenses. FTR Bulletin 08-02 became effective on October 24, 2007 and will remain effective until January 24, 2008, unless extended or rescinded by GSA. This bulletin and all FTR bulletins are located at [gsa.gov/bulletin](http://gsa.gov/bulletin).
