

requests for review, this review is rescinded with respect to Huatian and True Potential.

Intent To Rescind Review in Part

On March 4, 2009, New-Tec submitted a certification of no shipments of subject merchandise to the United States. We have not received comments on New-Tec's submission. We made inquiries with CBP as to whether any shipments were entered with respect to New-Tec during the POR. See message number 9120201 dated April 21, 2009. We received no response to that inquiry. We examined CBP information used in the selection of the mandatory respondents to further confirm no shipments by New-Tec during the POR. See "Letter from Robert James to All Interested Parties" dated February 9, 2009, containing CBP data on all entries of hand trucks and certain parts thereof during the POR. Based on the above, we preliminarily find that New-Tec had no shipments of subject merchandise during the POR, and we intend to rescind the review with respect to New-Tec pursuant to 19 CFR 351.213(d)(3).

Interested parties may submit comments on the Department's intent to rescind with respect to New-Tec no later than 30 days after the date of publication of this preliminary notice. The Department will issue the final notice, which will include the results of its analysis of issues raised in any such comments, in the preliminary results of the review.

Since Hardware

Because the Department is rescinding the review with respect to Huatian and True-Potential, and because the Department intends to rescind the review with respect to New-Tec, the Department has decided to make Since Hardware the mandatory respondent in this review. Since Hardware was issued a complete questionnaire to respond to on May 5, 2009. On May 26, 2009, Since Hardware entered its notice of appearance in this segment of the proceeding. The Department will issue appropriate assessment instructions regarding the rescinded companies directly to U.S. Bureau of Customs and Border Protection.

Extension of Preliminary Results

The Department has determined that it is not practicable to complete the preliminary results by the current 245-day deadline of September 2, 2009. The Department selected Since Hardware as a mandatory respondent on May 5, 2009, four days after petitioners withdrew their request for a review of

the two previously-selected mandatory respondents Huatian and True Potential. See Memorandum to the File, "Re: Selection of New Mandatory Respondent," dated May 5, 2009. Because May 5, 2009 was more than three months subsequent to the initiation of this review, we will need additional time to analyze Since Hardware's response and complete the antidumping calculation. Therefore, in accordance with section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), the Department is extending the time limit for the preliminary results by 120 days to December 31, 2009.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act, and 19 CFR 351.213(d)(4) of the Department's regulations.

Dated: June 12, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
