

extent that such indirect use can be determined from transactional records maintained in the covered financial institution's normal course of business.

(ii) A covered financial institution shall take a risk-based approach when deciding what, if any, other due diligence measures it should adopt to guard against the indirect use of its correspondent accounts by JSC CredexBank.

(iii) A covered financial institution that obtains knowledge that a correspondent account is being used by the foreign bank to provide indirect access to JSC CredexBank, shall take all appropriate steps to prevent such indirect access, including the notification of its correspondent account holder under paragraph (b)(2)(i)(A) and, where necessary, terminating the correspondent account.

(3) *Recordkeeping and reporting.* (i) A covered financial institution is required to document its compliance with the notice requirement set forth in paragraph (b)(2)(i)(A) of this section.

(ii) Nothing in this subsection (c) shall require a covered financial institution to report any information not otherwise required to be reported by law or regulation.

Dated: May 22, 2012.

Peter S. Alvarado,

Deputy Director, Financial Crimes Enforcement Network.

Coast Guard

33 CFR Part 165

[Docket Number USCG-2012-0358]

RIN 1625-AA00

Safety Zone for Fifth Coast Guard District Fireworks Display Currituck Sound; Corolla, NC

AGENCY: Coast Guard, DHS.

ACTION: Notice of Proposed Rulemaking.

SUMMARY: The Coast Guard proposes to temporarily change the enforcement location of a safety zone for one specific recurring fireworks display in the Fifth Coast Guard District. This regulation applies to only one recurring fireworks event, held adjacent to the Currituck Sound, Corolla, North Carolina. The fireworks display previously originated from a barge but will this year originate from a location on land; the safety zone is necessary to provide for the safety of

life on navigable waters during the event. This action is intended to restrict vessel traffic in a portion of the Currituck Sound, Corolla, NC, during the event.

DATES: Comments and related material must be received by the Coast Guard on or before June 14, 2012.

Compliance Dates: This proposed temporary rule would be effective from 5:30 p.m. on July 4, 2012, through 1 a.m. on July 5, 2012.

ADDRESSES: You may submit comments identified by docket number using any one of the following methods:

(1) *Federal eRulemaking Portal:*

<http://www.regulations.gov>.

(2) *Fax:* 202-493-2251.

(3) *Mail or Delivery:* Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590-0001. Deliveries accepted between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section below for further instructions on submitting comments. To avoid duplication, please use only one of these three methods.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email CWO3 Joseph M. Edge, U.S. Coast Guard Sector North Carolina; telephone 252-247-4525, email Joseph.M.Edge@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366-9826.

A. Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

1. Submitting Comments

If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each

comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online at <http://www.regulations.gov>, or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, type the docket number (USCG-2012-0358) in the "SEARCH" box and click "SEARCH." Click on "Submit a Comment" on the line associated with this rulemaking.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

2. Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number (USCG-2012-0358) in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

3. Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets

in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

4. Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one, using one of the methods specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

B. Regulatory History and Information

This fireworks display event is regulated at 33 CFR 165.506, Table to § 165.506, section (d.) line 5. Last year the Town of Currituck relocated its fireworks launch location to a site on land. Accordingly a temporary rule amended the regulation listed at 33 CFR 165.506 last year and was published in 76 FR 31843. The Coast Guard plans to permanently amend the regulation at 33 CFR 165.506 at a later date to reflect this change.

C. Basis and Purpose

Recurring fireworks displays are frequently held on or adjacent to the navigable waters within the boundary of the Fifth Coast Guard District. For a description of the geographical area of each Coast Guard Sector—Captain of the Port Zone, please see 33 CFR 3.25.

The regulation listing annual fireworks displays within the Fifth Coast Guard District and safety zones locations is 33 CFR 165.506. The Table to § 165.506 identifies fireworks displays by COTP zone, with the COTP North Carolina zone listed in section “(d.)” of the Table.

The township of Corolla, North Carolina, sponsors an annual fireworks display held on July 4th over the waters of Currituck Sound at Corolla, North Carolina. The Table to § 165.506, at section (d.) event Number “5”, describes the enforcement date and regulated location for this fireworks event.

The location listed in the Table has the fireworks display originating from a fireworks barge on Currituck Sound. However, this proposed rule changes the fireworks launch location on July 4, 2012, to a position on shore at latitude 36°22′23.8″ N longitude 075°49′56.3″ W.

A fleet of spectator vessels is anticipated to gather nearby to view the fireworks display. Due to the need for vessel control during the fireworks display vessel traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels. Under provisions of 33 CFR 165.506, during the enforcement period,

vessels may not enter the regulated area unless they receive permission from the Coast Guard Patrol Commander.

D. Discussion of Proposed Rule

The Coast Guard proposes to temporarily suspend the regulation listed in Table to § 165.506, section (d.) event Number 5, and insert this temporary regulation at Table to § 165.506, at section (d.) as event Number “14”, in order to reflect that the fireworks display will originate from a point on shore and therefore the regulated area is changed. This change is needed to accommodate the sponsor’s event plan. No other portion of the Table to § 165.506 or other provisions in § 165.506 shall be affected by this regulation.

The regulated area of this safety zone includes all water of the Currituck Sound within a 300 yards radius of latitude 36°22′23.8″ N longitude 075°49′56.3″ W.

This proposed safety zone would restrict general navigation in the regulated area during the fireworks event. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area during the effective period. The regulated area is needed to control vessel traffic during the event for the safety of participants and transiting vessels.

The enforcement period for this safety zone does not change from that enforcement period listed in § 165.506(d)5. Therefore, this safety zone would be enforced from 5:30 p.m. on July 4, 2012 through 1 a.m. on July 5, 2012.

In addition to notice in the **Federal Register**, the maritime community will be provided extensive advance notification via the Local Notice to Mariners, and marine information broadcasts so mariners can adjust their plans accordingly.

E. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under

section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. This rule prevents traffic from transiting a portion of the Currituck Sound during the specified event, the effect of this regulation will not be significant due to the limited duration that the regulated area will be in effect and the extensive advance notifications that will be made to the maritime community via marine information broadcasts, local radio stations and area newspapers so mariners can adjust their plans accordingly. Additionally, this rulemaking changes the regulated area for the Currituck Sound fireworks event for July 4, 2012 only and does not change the permanent regulated area that is published in 33 CFR 165.506, Table to § 165.506, section (d.) event Number 5. In some cases vessel traffic may be able to transit the regulated area when the Coast Guard Patrol Commander deems it is safe to do so.

2. Impact on Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered the impact of this proposed rule on small entities. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule will not have a significant economic impact on a substantial number of small entities.

This rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in the Currituck Sound where fireworks events are being held. This regulation will not have a significant impact on a substantial number of small entities because it will be enforced only during the fireworks display event permitted by Coast Guard Captain of the Port North Carolina. The Captain of the Port will ensure that small entities are able to operate in the regulated area when it is safe to do so. In some cases, vessels will be able to safely transit around the regulated area at various times, and, with the permission of the Patrol Commander, vessels may transit through the regulated area. Before the enforcement period, the Coast Guard will issue maritime advisories so mariners can adjust their plans accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

4. Collection of Information

This proposed rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This proposed rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves the temporary change of regulation listed at 33 CFR 165.506 for the event listed in Table to § 165.506, section (d.) event Number 5. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. A preliminary environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Amend the Table to § 165.506 as follows:

a. Under “(d) Coast Guard Sector North Carolina—COTP Zone,” suspend entry 5.

b. Under, “(d) Coast Guard Sector North Carolina—COTP Zone,” add entry 14, to read as follows:

§ 165.506–T05–0358 Safety Zones; Fifth Coast Guard District Fireworks Displays, Currituck Sound, Corolla, NC.

* * * * *

(D) COAST GUARD SECTOR NORTH CAROLINA—COTP ZONE

Number	Date	Location	Regulated area
14	July 4–5, 2012	Currituck Sound, Corolla, NC, Safety Zone.	All waters of the Currituck Sound within a 300 yard radius of the fireworks launch site in approximate position latitude 36°22'23.8" N longitude 075°49'56.3" W, located near Whale Head Bay.

DEPARTMENT OF COMMERCE

United States Patent and Trademark Office

37 CFR Part 1

[Docket No.: PTO-P-2011-0016]

RIN 0651-AC78

Changes to Implement Micro Entity Status for Paying Patent Fees

AGENCY: United States Patent and Trademark Office, Commerce.

ACTION: Notice of proposed rulemaking.

SUMMARY: The United States Patent and Trademark Office (Office) is proposing to amend the rules of practice in patent cases to implement the micro entity provision of the Leahy-Smith America Invents Act. Certain patent fees set or adjusted under the fee setting authority in the Leahy-Smith America Invents Act will be reduced by seventy-five percent for micro entities. The Office is proposing changes to the rules of practice to set out the procedures pertaining to claiming micro entity status, paying patent fees as a micro entity, notification of loss of micro entity status, and correction of payments of patent fees paid erroneously in the micro entity amount. In a separate rulemaking, the Office is in the process of proposing to set or adjust patent fees under the Leahy-Smith America Invents Act, including setting fees for micro entities with a seventy-five percent reduction.

DATES: *Comment Deadline Date:* Written comments must be received on or before July 30, 2012.

ADDRESSES: Comments should be sent by electronic mail message over the Internet addressed to: *micro_entity@uspto.gov*. Comments may

also be submitted by postal mail addressed to: Mail Stop Comments—Patents, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, marked to the attention of James Engel, Senior Legal Advisor, Office of Patent Legal Administration, Office of the Deputy Commissioner for Patent Examination Policy.

Comments may also be sent by electronic mail message over the Internet via the Federal eRulemaking Portal. See the Federal eRulemaking Portal Web site (<http://www.regulations.gov>) for additional instructions on providing comments via the Federal eRulemaking Portal.

Although comments may be submitted by postal mail, the Office prefers to receive comments by electronic mail message over the Internet because sharing comments with the public is more easily accomplished. Electronic comments are preferred to be submitted in plain text, but also may be submitted in ADOBE® portable document format or MICROSOFT WORD® format. Comments not submitted electronically should be submitted on paper in a format that facilitates convenient digital scanning into ADOBE® portable document format.

The comments will be available for public inspection at the Office of the Commissioner for Patents, currently located in Madison East, Tenth Floor, 600 Dulany Street, Alexandria, Virginia. Comments also will be available for viewing via the Office's Internet Web site (<http://www.uspto.gov>). Because comments will be made available for public inspection, information that the submitter does not desire to make public, such as an address or phone number, should not be included in the comments.

FOR FURTHER INFORMATION CONTACT: James Engel, Senior Legal Advisor ((571) 272-7725), Office of Patent Legal Administration, Office of the Deputy Commissioner for Patent Examination Policy.

SUPPLEMENTARY INFORMATION:

Executive Summary: Purpose: The Leahy-Smith America Invents Act provides that: (1) The Office may set or

adjust any patent fee, provided that the revenue generated by patent fees recovers only the aggregate estimated costs to the Office for processing, activities, services, and materials relating to patents (including administrative costs); and (2) most fees set or adjusted under this authority are reduced by fifty percent with respect to small entities and by seventy-five percent with respect to micro entities. The Leahy-Smith America Invents Act also adds a new section to Title 35 of the United States Code that defines a "micro entity." The rules of practice currently have provisions pertaining to small entity status, as the patent laws provided a small entity discount prior to the Leahy-Smith America Invents Act. This notice proposes changes to the rules of practice to implement the "micro entity" provisions added by the Leahy-Smith America Invents Act.

Summary of Major Provisions: The Office proposes to add a provision to the rules of practice pertaining to micro entity status. The provision will set out the requirements to qualify as a micro entity tracking the micro entity provision of Section 10 of the Leahy-Smith America Invents Act. The provision will also set out procedures relating to micro entity status that largely track the provisions in 37 CFR 1.27 for small entity status. These new procedures pertain to claiming micro entity status, paying patent fees as a micro entity, notifying the Office of loss of micro entity status, and correcting payments of patent fees paid erroneously in the micro entity amount. The procedures for claiming micro entity status require the filing of a certification of entitlement to micro entity status. The Office is developing forms (paper and electronic) for use by members of the public to provide a certification of micro entity status. The procedures for paying fees as a micro entity provide that a micro entity certification need only be filed once in an application or patent, but that a fee may be paid in the micro entity amount only if the applicant or patentee is still entitled to micro entity status on the date the fee is paid. The procedures pertaining to notifying the Office of loss of micro entity status and correcting
