Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Southeast Region Gulf of Mexico Red Snapper IFQ Program.

OMB Control Number: 0648–0551.

Form Number(s): NA.

Type of Request: Regular submission (revision and extension of a current information collection).

Number of Respondents: 487.

Average Hours Per Response: Transfer of shares, 2 minutes; dealer landing transaction report, notification of landing, transfer of allocation,

5 minutes; landing correction form, 3 minutes; online account application, 10 minutes.

Burden Hours: 982.

Needs and Uses: National Marine Fisheries Service (NMFS) Southeast Region manages the U.S. fisheries of the exclusive economic zone (EEZ) off the South Atlantic, Caribbean, and Gulf of Mexico under the Fishery Management Plans (FMP) for each Region. The Regional Fishery Management Councils prepared the FMPs pursuant to the Magnuson-Stevens Fishery Conservation and Management Act. NMFS manages the red snapper fishery in the waters of the Gulf of Mexico under the Reef Fish FMP. The Individual Fishing Quota (IFQ) program was implemented to reduce the overcapacity in the fishery and end the derby fishing conditions that resulted from that overcapitalization.

The recordkeeping and reporting requirements at 50 CFR part 622 form the basis for this collection of information. NMFS Southeast Region requests information from fishery participants. This information, upon receipt, results in an increasingly more efficient and accurate database for management and monitoring of the fisheries of the EEZ of Gulf of Mexico.

Dealer, shareholder and fishermen annual reporting requirements have been removed, as the information can be obtained through other current reporting requirements. Also, the burden for online account activation has been removed, as all eligible shareholders have activated their accounts; however, there is a new burden for account renewal. A one-time percentage of share ownership has been removed, as it is now covered under another OMB Control No. as part of a permit application.

Affected Public: Business or other for-profit organizations.

Frequency: On occasion.

Respondent's Obligation: Mandatory.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov.

Dated: August 18, 2011.

Management Analyst, Office of the Chief Information Officer.

AGENCY: Economic Development Administration, U.S. Department of Commerce.

ACTION: Notice and request for comments; extending public comment deadline.

SUMMARY: On July 11, 2011, the Economic Development Administration (EDA) published a **Federal Register** notice requesting public input on the structure of the Strong Cities, Strong Communities Visioning Challenge (SC2 Pilot Challenge) (76 FR 40686). Due to significant interest in the agency's formulation of the anticipated Federal funding opportunity (FFO) announcement for the SC2 Pilot Challenge, EDA publishes this notice to extend the time frame for submission of public comments.

DATES: Comments must be received no later than 5 p.m. Eastern Time on September 7, 2011. Interested parties should submit comments in writing by e-mail or facsimile, as provided below under **ADDRESSES**.

FOR FURTHER INFORMATION CONTACT:

Lynette Boswell, Performance and National Programs Division, Economic Development Administration, Department of Commerce, Room 7009, 1401 Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION: President Obama recognized the importance of economically vibrant and prosperous cities, towns and regions to our national economy when he asserted that "strong cities are the building blocks of strong regions, and strong regions are essential for a strong America." To create Federal-local synergies that will help strengthen economically distressed communities, the Administration has developed the SC2 Pilot Challenge. In the **Federal Register** notice published on July 11, 2011 (76 FR 40686), EDA requested public feedback on the structure of the SC2 Pilot Challenge to assist with the formulation of the FFO announcement for the Challenge. Due to significant interest in this initiative and to ensure stakeholders have ample time to comment, EDA is extending the deadline for the submission of comments from August 9, 2011, to September 7, 2011. Please see the July 11, 2011 notice and request for comments, and EDA's Web site at <http://www.eda.gov> for more information. Although EDA welcomes public comments on the structure of the SC2 Pilot Challenge, the agency specifically requests input on the effective use of authority to conduct prize competitions under the America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science (COMPETES) Reauthorization Act of 2010 (Pub. L. 111-358 (2011)) as a tool to implement the SC2 Pilot Challenge.

Comments should be submitted to EDA as described in the **ADDRESSES** section of this notice. EDA will consider all comments submitted in response to this notice that are received by 5 p.m. Eastern Time on September 7, 2011, as referenced under **DATES**. All public comments (including faxed or e-mailed comments) submitted in response to this notice must be in writing and will be a matter of public record.
