**Abstract:** The Jacob K. Javits Fellowship Program is authorized by Title VII, Part A, Subpart 1 of the Higher Education Act of 1965, as amended, and provides up to four years of financial assistance to students to undertake graduate study at the doctoral and Master of Fine Arts level in selected fields of arts, humanities, and social sciences. Fellows are selected on the basis of (1) superior academic ability demonstrated by their achievements and exceptional promise; and (2) financial need. The amounts of new and continuing awards are based on a student's financial need as determined by the Title IV, Part F needs analysis system. Each individual fellow's need must be assessed and reported each year, along with a continuing fellow's academic progress as determined by the institution. This collection is completed annually by grantee institutions to report on the fellows' progress and levels of financial need for the next academic year. The Department of Education uses this data to calculate fellowship amounts and the total grant amount sent to each institution for each fiscal year.
