**AGENCY:** Federal Aviation

**ACTION:** Final rule; correction.

**SUMMARY:** This action corrects a final rule published in the **Federal Register** on July 29, 2010; Airspace Docket No. 09-ASW-40, FAA Docket No. FAA-2009-1050. Subsequent to publishing the final rule, three geographic coordinates along Arkansas State Highway 10 and three geographic coordinates along Arkansas State Highway 22 that were used in defining the boundary for restricted areas R-2402A, R-2402B, and R-2402C changed in the aeronautical database. This action corrects those coordinates in the respective airspace descriptions.

#### SUPPLEMENTARY INFORMATION:

#### History

On July 29, 2010, a final rule was published in the **Federal Register** to establish two restricted areas (R-2402B and R-2402C) and amend an existing restricted area (renaming R-2402 to R-2402A) in the Razorback Range Airspace Complex, AR (75 FR 44719). As a result of further review, the FAA's National Aeronautical Navigation Services (formerly the National Aeronautical Charting Office) and Memphis air route traffic control center determined that a minor refinement was needed for the geographic coordinates used to define where the restricted area boundaries intersected Arkansas State Highways 10 and 22. The correction adjusts the six geographic coordinates defining the points where the restricted areas intersect and overlay those highways.
