Title of Collection: School Leadership Program (SLP) Annual Performance Report.

OMB Control Number: 1855–0019.

Type of Review: Extension.

Total Estimated Number of Annual Responses: 22.

Total Estimated Number of Annual Burden Hours: 880.

Abstract: The information in the SLP Annual Performance Report (APR) is collected in compliance with the Elementary and Secondary Education Act of 1965, as amended, Title II, Part A, Subpart 5; 20 U.S.C. 2151(b), the Government Performance and Results Act (GPRA) of 1993, Section 4 (1115), and the Education Department General Administrative Regulations (EDGAR), 34 CFR 75.253. EDGAR states that recipients of multi-year discretionary grants must submit an APR demonstrating that substantial progress has been made toward meeting the approved objectives of the project. In addition, discretionary grantees are

required to report on their progress toward meeting the performance measures established for the U.S. Department of Education School Leadership Program. There are two GPRA performance objectives and six performance measures for SLP grantees. The objectives are (1) to recruit, prepare, and support individuals from education or other fields to become principals or assistant principals of schools in high-need LEAs and (2) to train and support principals and assistant principals from schools in high-need LEAs in order to improve their skills and increase retention. Most grantees will report on the GPRA measures for only one of the objectives because most grantees focus on either recruiting and training new principals and assistant principals or providing training to currently practicing principals and assistant principals. The SLP APR is a customized APR that goes beyond the ED 524B APR; this data collection is requested to facilitate the collection of more standardized and comprehensive data to address the program’s GPRA measures, to improve the overall quality of data collected, and to increase the quality of data that can be used to inform policy decisions.

Dated: May 31, 2012.

Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management.
