DEPARTMENT OF COMMERCE

International Trade Administration

[A-570-867]

Automotive Replacement Glass Windshields From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* May 7, 2004.

FOR FURTHER INFORMATION CONTACT: Jonathan Herzog, Jon Freed or Nazak Nikakhtar, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4271, (202) 482-3818, and (202) 482-9079 respectively.

Preliminary Determination

The Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on automotive replacement glass windshields ("ARG")

from the People's Republic of China ("PRC") in response to a request by Pilkington North America ("PNA") who requested a review of its Chinese joint ventures, Changchun Pilkington Safety Glass Company Limited ("Changchun"), Guilin Pilkington Safety Glass Company Limited ("Guilin"), Shanghai Yaohua Pilkington Autoglass Company Limited ("Shanghai"), and Wuhan Yaohua Pilkington Safety Glass Company Limited ("Wuhan") (collectively "the Pilkington JVs") (with PNA, collectively "Pilkington"), the Fuyao Group ("Fuyao"), Dongguan Kongwan Automobile Glass Limited ("Dongguan Kongwan"), and Peaceful City Limited ("Peaceful City"). The period of review ("POR") is September 19, 2001 through March 31, 2003.

We preliminarily determine that Pilkington, Fuyao, and Peaceful City have sold subject merchandise at less than normal value ("NV") during the POR. Further, we have preliminarily determined to apply an adverse facts available rate to all sales and entries of Peaceful City's subject merchandise during the POR. If these preliminary results are adopted in our final results of this administrative review, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on entries of subject merchandise during the POR for which the importer-specific assessment rates are above *de minimis*.

We invite interested parties to comment on these preliminary results. Parties who submit arguments in this segment of the proceeding are requested to submit with the argument: (1) A statement of the issue, and (2) a brief summary of the argument as provided in section 733 of the Tariff Act of 1930, as amended ("the Act"). The estimated margins of sales at LTFV are shown in the "Suspension of Liquidation" section of this notice.

Case History

On April 7, 2003, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on ARG from the PRC for the period September 19, 2001 through March 31, 2003. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 68 FR 16761 (April 7, 2003). On April 15, 2003, Dongguan Kongwan and Peaceful City, requested an administrative review of their sales to the United States during the POR. On April 21, 2003, an importer, PNA, requested an administrative review of the sales of Changchun, Guilin, Shanghai, and

Wuhan to the United States during the POR. On April 22, 2003, TCG International Inc. ("TCGI"), requested an administrative review of its sales to the United States during the POR. On April 30, 2003, Xinyi Automotive Glass (Shenzhen) Company, Limited ("Xinyi"), Shenzhen CSG Automotive Glass Company, Limited ("Shenzhen CSG") (reported to be the former company Shenzhen Benxun Auto Glass Company, Limited) ("Benxun"), and Fuyao requested an administrative review of their sales to the United States during the POR.

On May 21, 2003, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review of ARG from the PRC for the period September 19, 2001 through March 31, 2003. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 68 FR 27781 (May 21, 2003). On June 3, 2003, the Department issued questionnaires to each Respondent. On September 8, 2003, the Department published a notice in the **Federal Register** rescinding the administrative reviews of TCGI, Xinyi, and Benxun.¹ *See Certain Automotive Replacement Glass Windshields from the People's Republic of China: Notice of Partial Rescission of the Antidumping Duty Administrative Review*, 68 FR 52893 (September 8, 2003). On October 24, 2003, the Department published a notice in the **Federal Register** extending the time limit for the preliminary results of review by 60 days. *See Certain Automotive Replacement Glass Windshields from the People's Republic of China: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 68 FR 60911 (October 24, 2003). On January 30, 2004, the Department published a notice in the **Federal Register** extending the time limit for the preliminary results of review until April 29, 2004. *See Notice of Extension of Time Limit for Preliminary Results of the Antidumping Duty Administrative Review: Certain*

¹ During the investigation, the Department investigated a company called Benxun. When Shenzhen CSG requested review, it indicated it was the company formally known as Benxun, but that it had undergone a name change since the investigation. On July 8, 2003, Shenzhen CSG withdrew its request for review. However, because Shenzhen CSG withdrew its request for review, the Department did not have the information necessary to make a successor-in-interest determination. Therefore the Department did not determine that Shenzhen CSG is entitled to receive the same antidumping cash deposit rate accorded Benxun within the context of this review. On March 8, 2004, the Department initiated a change of circumstance review, and is currently in the process of completing that review.
