SUPPLEMENTARY INFORMATION:

Title: Intermediary Relending Program.

OMB Number: 0570-0021.

Expiration Date of Approval: September 30, 2003.

Type of Request: Extension of currently approved collection information.

Abstract: The objective of the Intermediary Relending Program (IRP) is to improve community facilities and employment opportunities and increase economic activity in rural areas by financing business facilities and community development. This purpose is achieved through loans made by the Rural Business-Cooperative Service (RBS) to intermediaries that establish programs for the purpose of providing loans to ultimate recipients for business facilities and community development. The regulations contain various requirements for information from the intermediaries, and some requirements may cause the intermediary to seek information from ultimate recipients. The information requested is necessary for RBS to be able to process applications in a responsible manner, make prudent credit and program decisions, and effectively monitor the intermediaries' activities to protect the Government's financial interest and ensure that funds obtained from the Government are used appropriately. It includes information to identify the intermediary; describe the intermediary's experience and expertise; describe how the intermediary will operate its revolving loan fund; provide for debt instruments, loan agreements, and security; and other material necessary for prudent credit decisions and reasonable program monitoring.
