

believes that the use of TOLAD MFA-10A in place of TOLAD MFA-10 will allow engines and vehicles to remain compliant with their emissions standards when using fuels made as approved under the original conditions granted for the OCTAMIX waiver.

III. Finding and Conclusion

Based on the information submitted by Baker Hughes in its application, and the additional information received during the public comment period, I conclude that the performance of TOLAD MFA-10A in OCTAMIX would be comparable to TOLAD MFA-10, the original corrosion inhibitor approved under the OCTAMIX waiver. Therefore, I am modifying condition (3) of the OCTAMIX waiver to read as follows:

(3) Any one of the following four corrosion inhibitors must be included:

(a) Petrolite's corrosion inhibitor formulation, TOLAD MFA-10, blended in the final fuel at 42.7 mg/l;

OR

(b) DuPont's corrosion inhibitor formulation, DMA-67, blended in the final fuel at 31.4 mg/l;

OR

(c) Spirit of 21st Century LLC's corrosion inhibitor formulation, TXCEED, blended in the final fuel at 3.9 ml/gal (987.6 mg/l);

OR

(d) Baker Hughes's corrosion inhibitor formulation, TOLAD MFA-10A, blended in the final fuel at 25 mg/l.

This action should provide additional flexibility to any manufacturer wishing to produce the OCTAMIX blend. At the same time, any manufacturer wishing to use a corrosion inhibitor other than the four permitted by the OCTAMIX waiver must apply for a further modification of the waiver. Since EPA is still unaware of any basis for extrapolating findings in the emissions impact of one corrosion inhibitor to other corrosion inhibitors, the Agency will continue to examine the emissions impact of specific corrosion inhibitor formulations on a case-by-case basis.

IV. Miscellaneous

This waiver modification decision is final agency action of national applicability for purposes of section 307(b)(1) of the Act. Pursuant to CAA section 307(b)(1), judicial review of this final agency action may be sought only in the United States Court of Appeals for the District of Columbia Circuit. Petitions for review must be filed by August 13, 2012. Judicial review of this final agency action may not be obtained in subsequent proceedings, pursuant to CAA section 307(b)(2). This action is not a rulemaking and is not subject to

the various statutory and other provisions applicable to a rulemaking.

[Public Notice 2012-0136]

Agency Information Collection Activities: Final Collection; Comment Request

AGENCY: Export-Import Bank of the U.S.
ACTION: Submission for OMB Review and Comments Request.

Form Title: EIB 94-08 Notification and Assignment by Insured to Financial Institution of Medium Term Export Credit Insurance Policy.

SUMMARY: The Export-Import Bank of the United States (Ex-Im Bank), as a part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995. Ex-Im Bank is requesting an emergency approval of Ex-Im Bank form EIB 94-08, Notification and Assignment by Insured to Financial Institution of Medium Term Export Credit Insurance Policy. Ex-Im Bank's exporter policy holders, along with the financial institution providing it with financing, provide this form to Ex-Im Bank. The form transfers the duties and obligations of the insured exporter to the financial institution. It also provides certifications to the financial institution and Ex-Im Bank that the financed export transaction results in a valid, enforceable, and performing debt obligation. Exporter policy holders need this form to obtain financing for their medium term export sales. Ex-Im Bank believes that EIB 94-08 requires emergency approval in order to continue operation of its medium term program for U.S. exporters.

Lack of an emergency approval of this form would greatly restrict our ability to support many of the export sales made by U.S. businesses. Without this form, it would not be possible for financial institutions to obtain sufficient comfort to provide funding to our exporter policy holders. This would adversely impact Ex-Im Bank's ability to finance small business exporters and its overall mission to support U.S. exports and maintain U.S. jobs. Accordingly, Ex-Im Bank requests emergency approval of
