

reviewed the terms and conditions of the Sale and of the Top-Up Payments and determined that both were protective of the interests of the Plans; (b) The Independent Fiduciary determined that the terms and conditions of both the Sale and the Top-Up Payments were at least as favorable to the Plans as those that would have been obtained in an arm's length transaction between unrelated parties; (c) The terms and conditions of both the Sale and of the Top-Up Payments were at least as favorable to the Plans as those that would have been obtained in an arm's length transaction between unrelated parties; and (d) The Independent Fiduciary provided its opinion in written reports on behalf of the Plans as to the fairness and reasonableness of the Sale of the Plans' interests in the Funds to the Applicant, and determined that the terms of the original Sale and subsequent Top-Up Payments were especially beneficial to each of the Plans because: (i) On February 20, 2009, the Plans received a return of their aggregate cost basis of their interests in the Funds (which cost basis was determined by the Independent Fiduciary to exceed the aggregate fair market value of the Plans' interests in the Funds as of October 31, 2008), plus interest accrued on the Funds from their date of acquisition by each Plan through the date of the Sale; and (ii) On September 14, 2009, the Independent Fiduciary determined that, in instances where the fair market value of any Fund on December 31, 2008 exceeded its original cost basis, each of the Plans received a Top-Up Payment on September 14, 2009 comprised of the increased value of such Fund, plus interest accrued on such increased value from December 31, 2008 to the date of the Top-Up Payments (September 14, 2009).

Notice to Interested Persons: Notice of the proposed exemption shall be given to all interested persons in the manner agreed upon by the Applicant and the Department within 15 days of the date of publication in the **Federal Register**. Comments and requests for a hearing are due forty-five (45) days after publication of the notice in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Mr. Mark Judge of the Department at (202) 693-8550. (This is not a toll-free number).

General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve

a fiduciary or other party in interest or disqualified person from certain other provisions of the Act and/or the Code, including any prohibited transaction provisions to which the exemption does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which, among other things, require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(b) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) Before an exemption may be granted under section 408(a) of the Act and/or section 4975(c)(2) of the Code, the Department must find that the exemption is administratively feasible, in the interests of the plan and of its participants and beneficiaries, and protective of the rights of participants and beneficiaries of the plan;

(3) The proposed exemptions, if granted, will be supplemental to, and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transitional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(4) The proposed exemptions, if granted, will be subject to the express condition that the material facts and representations contained in each application are true and complete, and that each application accurately describes all material terms of the transaction which are the subject of the exemption.

Signed at Washington, DC, this 30th day of March 2010.

Ivan Strasfeld,

*Director of Exemption Determinations,
Employee Benefits Security Administration,
U.S. Department of Labor.*
