#### **Intercontinental Branded Apparel, Ellwood Avenue, Buffalo, NY; Amended Notice of Revised Determination on Reconsideration**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Revised Determination on Reconsideration on February 21, 2001, applicable to workers of Intercontinental Branded Apparel, Ellwood Avenue, Buffalo, New York. The notice was published in the **Federal Register** on March 2, 2001 (FR 66 13087).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers produce men's suit coats and sports coats. That certification expired October 21, 2000. To avoid an overlap in worker group coverage, the certification is being amended to change the impact date for October 17, 1999 to October 22, 2000, for workers of the subject firm.

The amended notice applicable to TA-W-38,253 is hereby issued as follows:

All workers of Intercontinental Branded Apparel, Ellwood Avenue, Buffalo, New York who became totally or partially separated from employment on or after October 22, 2000 through February 21, 2003 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

#### **Mannor Corporation, Bay Minette, Alabama and Mannor Corporation, New York, NY; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on July 14, 1999, applicable to workers of Mannor Corporation, Bay Minette, Alabama. The notice was published in the **Federal Register** on August 11, 1999 (64 FR 43724).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of men's dress trousers. The company reports that the New York, New York location provided administrative,

executive and merchandising support services to Mannor Corporation's Bay Minette, Alabama location. The workers of the New York, New York location were inadvertently omitted from the certification. Accordingly, the Department is amending the certification to cover workers of Mannor Corporation, New York, New York.

#### Paper, Calmenson & Company, Blades Division, Bucyrus, OH; Notice of Revised Determination on Reconsideration

On February 20, 2001, the Department issued a Notice of Affirmative Determination Regarding Application for Reconsideration applicable to workers and former workers of the subject firm. The notice was published in the **Federal Register** on March 2, 2001 (66 FR 13088).

The initial investigation for workers producing ground engaging tools at Paper, Calmenson & Company, Blades Division, Bucyrus, Ohio, revealed that sales, production and employment all increased prior to the August 2000, sale of the firm to Bucyrus Blades, Inc. The plant ceased production in October 2000.

On reconsideration, the import data submitted to the Department show that a portion of the plant production was replaced by imports of articles like or directly competitive with those produced at the subject firm.

#### Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with ground engaging tools, contributed importantly to the declines in sales or production and to the total or partial separation of workers of Paper, Calmenson & Company, Blades Division, Bucyrus, Ohio. In accordance with the provisions of the Act, I make the following certification:

All workers of Paper, Calmenson & Company, Blades Division, Bucyrus, Ohio, who became totally or partially separated from employment on or after September 22, 1999, through two years from the date of certification, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.
