Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 14, 2010, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the Fees Schedule for its CBOE Stock Exchange ("CBSX"). The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

CBSX proposes to adopt the Trading Permit Holder Application Fees that apply to CBOE. The purpose of the proposed rule change is to offset some of the expenses incurred by the Exchange in connection with CBSX Trading Permit Holder applicants and existing CBSX Trading Permit Holders. A description of the application fees is provided below.

The Individual Applicant Fee (Trading Permit Holder) is payable by a new individual applicant for Trading Permit Holder status on the Exchange. The applicant's Fingerprint Processing Fee is included as part of this fee. The New Trading Permit Holder Orientation & Exam Fee is payable by each applicant seeking Trading Permit Holder status, which requires a trading function.

The TPH Organization Application Fee (Corporation/Partnership/LLC) is payable by an applicant that desires to be a TPH organization on the Exchange. This fee encompasses the TPH Organization Application and related documentation, one Responsible Person's Orientation & Exam Fee and Fingerprint Fee associated with the TPH Organization Application, and Associated Person(s) Fees that are part of this TPH Organization Application.

The TPH Organization Renewal Fee (Corporation/Partnership/LLC) is payable by a former trading firm member or TPH organization that reapplies for Trading Permit Holder status within nine months of its Trading Permit Status termination date and becomes an effective TPH organization within one year of its Trading Permit Status termination date. This fee encompasses the TPH Organization Application and related documentation and one Responsible Person who is a former Responsible Person who reapplies within nine months of his termination date and becomes an effective Responsible Person within one year of his termination date.

The Associated Person Fee is payable for the addition of certain individuals on a TPH organization's Form BD. This fee includes the related Fingerprint Processing Fee. This fee is payable by each executive officer, general partner, or LLC Manager. Additionally, this fee is payable by each principal shareholder that has 5% or more direct ownership of a class of a voting security of a TPH organization corporation, limited partner who has the right to receive upon dissolution, or has contributed, 5% or more of the partnership's capital, and LLC member who has the right to receive upon dissolution, or has contributed, 5% or more of the LLC's capital. This fee is also payable by any person classified as a "Control Person" of the TPH organization.

The Fingerprint Processing Fee will be assessed for employees of Trading Permit Holders and any other individual requesting the Exchange to process a fingerprint, electronically or otherwise, excluding fingerprint requirements for Individual Applicants, individuals applying for Renewal/Change of Status, and Associated Persons.

The Renewal/Change of Status Fee is payable by a former individual Trading Permit Holder who reapplies for Trading Permit Holder status within nine months of his Trading Permit Holder status termination date and becomes an effective Trading Permit Holder within one year of his Trading Permit Holder status termination date. A former individual Trading Permit Holder or former individual member who reapplies for Trading Permit Holder status within nine months of termination from Trading Permit Holder status will be assessed the Renewal/Change of Status fee at the time of submission of the application. If that person becomes an effective Trading Permit Holder more than one year after his Trading Permit Holder status termination date, the person will then be charged an additional fee equal to the

difference between the Individual Application Fee and the Renewal/Change of Status fee. This Fee includes the related Fingerprint Processing Fee, if applicable.

The Trading Permit Transfer Fee is assessed to a Trading Permit Holder for each Trading Permit for which the Registration Services Department has received a request for transfer.

The Joint Account Application Fee is payable for each application to establish a new joint account. The Non-Trading Permit Holder Customer Business Fee is payable by applicant TPH organizations that plan to conduct a public customer business.

The Applicant/Trading Permit Holder/Associated Person Subject to Statutory Disqualification Fee is payable whenever a person or entity is subject to a statutory disqualification under the Securities Exchange Act of 1934 and: (i) Is an applicant for Trading Permit Holder status, (ii) is seeking to be an associated person of a Trading Permit Holder (except where the Exchange is merely asked to concur in an SEC Rule 19h-1 filing by another self regulatory organization), or (iii) is an existing Trading Permit Holder or associated person who makes an application in accordance with Rule 3.18(b) or with respect to whom a proceeding is initiated pursuant to Rule 3.18. This fee is in addition to any other Trading Permit-related fees that might be applicable.

The Fee for Change in Status that, if Approved, Would Require Amended or Additional SEC Rule 19h-1(c) Filing is payable whenever a person or entity, on whose behalf the Exchange has filed a Rule 19h-1(c) filing that has been approved by the SEC, applies for a change in status that requires the Exchange to file an amended or additional Rule 19h-1(c) filing, if the Exchange approves the requested change in status. This fee is in addition to any other Trading Permit-related fees that might be applicable.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 ("Act"),³ in general, and furthers the objectives of Section 6(b)(4)⁴ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE and CBSX Trading Permit Holders and other persons using CBOE, CBSX and their facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
