

of 1977 (CRA), 12 U.S.C. 2901, *et seq.*, and record of lending to first-time homebuyers. 12 U.S.C. 1430(g)(2). 12 CFR part 944 implements section 10(g) of the Bank Act. *See* 12 CFR part 944. The rule provides uniform community support standards all Bank members must meet and review criteria FHFA staff must apply to determine compliance with section 10(g). More specifically, § 944.2 of the rule (12 CFR 944.2) implements the statutory community support requirement and requires each member selected for review to submit a completed Community Support Statement Form to the FHFA. The community support standards for the two statutory factors are found in § 944.3 (12 CFR 944.3)—CRA and first-time homebuyer performance—this provision also provides guidance to a respondent on how it may satisfy the standards. The procedures and criteria FHFA uses in determining whether Bank members satisfy the statutory and regulatory community support requirements are found in §§ 944.4 and 944.5 (12 CFR 944.4 through 944.5).

The information collection contained in the Community Support Statement Form and §§ 944.2 through 944.5 of the rule are necessary to enable and are used by the FHFA to determine whether Bank members satisfy the statutory and regulatory community support requirements. Only Bank members that meet these requirements may maintain continued access to long-term Bank advances. *See* 12 U.S.C. 1430(g).

The OMB number for the information collection is 2590-0005. The OMB clearance for the information collection expires on September 30, 2009. The likely respondents are institutions that are Bank members.

B. Burden Estimate

The FHFA estimates the total annual average number of respondents at 4100 Bank members, with 1 response per member. The estimate for the average hours per response is one hour. The estimate for the total annual hour burden is 4100 hours (4100 members × 1 response per member × 1 hour).

C. Comment Request

The FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) The accuracy of the FHFA estimates of the burdens of the collection of information; (3) Ways to enhance the quality, utility and clarity of the information collected; and (4) Ways to minimize the burden of

the collection of information, including through the use of automated collection techniques or other forms of information technology.
