INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1230]

**Certain Electric Shavers and Components and Accessories Thereof
Notice of Request for Submissions on the Public Interest****AGENCY:** U.S. International Trade Commission.**ACTION:** Notice.

SUMMARY: Notice is hereby given that on November 18, 2021, the presiding administrative law judge (“ALJ”) issued an Initial Determination Granting-in-Part Complainant Skull Shaver, LLC’s Motion for Summary Determination on Violations by the Defaulting

Respondents, and a Recommended Determination on Remedy and Bonding (“ID/RD”). The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation. This notice is soliciting comments from the public only.

FOR FURTHER INFORMATION CONTACT: Sidney A. Rosenzweig, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708–2532. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the

Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation. The ALJ recommended the issuance of a general exclusion order (“GEO”) directed to certain electric shavers and components and accessories thereof,

with an explicit carveout to exempt the products of terminated respondents Benepuri LLC and Nukun Technology Co., Ltd. In the alternative, the ALJ recommended the issuance of a limited exclusion order (“LEO”) as to subject products imported, sold for importation, and/or sold after importation by each defaulting respondent: (1) Suzhou Kaidiya Garments Trading Co., Ltd.; (2) Yiwu City Qiaoyu Trading Co., Ltd. (“Yiwu City”); (3) Wenzhou Wending Electric Appliance Co., Ltd.; (4) Shenzhen Aiweilai Trading Co., Ltd.; (5) Shenzhen Junmao International Technology Co., Ltd.; (6) Shenzhen Wantong Information Technology Co., Ltd.; (7) Yiwu Xingye Network Technology Co., Ltd. (“Yiwu Xingye”); and (8) Bald Shaver Inc. (“Bald Shaver”).¹ Regardless of whether a GEO or LEO issues, the ALJ also recommended the issuance of cease and desist orders as to defaulting respondents Yiwu City and Yiwu Xingye, based on findings that they, and not the other defaulting respondents, maintain a commercially significant inventory of subject products in the United States. The ALJ further recommended that bond during the Presidential review period be set at one hundred percent (100%) of the entered value of subject products. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ’s ID/RD. Comments should address whether issuance of the recommended remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant’s licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and

(v) explain how the recommended orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on December 18, 2021.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. The Commission’s paper filing requirements in 19 CFR 210.4(f) are currently waived. 85 FR 15798 (Mar. 19, 2020). Submissions should refer to the investigation number (“Inv. No. 337–TA–1230”) in a prominent place on the cover page and/or the first page. (See *Handbook for Electronic Filing Procedures*, https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf.) Persons with questions regarding filing should contact the Secretary (202–205–2000).

Any person desiring to submit a document to the Commission in confidence must request confidential treatment by marking each document with a header indicating that the document contains confidential information. This marking will be deemed to satisfy the request procedure set forth in Rules 201.6(b) and 210.5(e)(2) (19 CFR 201.6(b) & 210.5(e)(2)). Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. A redacted non-confidential version of the document must also be filed simultaneously with any confidential filing. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S.

government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements. All nonconfidential written submissions will be available for public inspection on EDIS.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: November 22, 2021.

Lisa Barton,

Secretary to the Commission.
