VA is required to match each additional dollar waived by the school not to exceed 50 percent of the outstanding established charges. The statute further requires that VA post the information on a Web site for public viewing. In order to have sufficient time to post the information on the Web site (after processing received requests) and amend/update systems to issue Yellow Ribbon payments, VA will issue requests for participation in December of each calendar year and require that schools provide responses no later than February 15th of the following year.
