### Disclosure and Public Comment

Commerce intends to disclose its calculations and analysis performed for these preliminary results to interested parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.<sup>6</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>7</sup> Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>8</sup> Case and rebuttal briefs should be filed using ACCESS.

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>9</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>10</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to

the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety via ACCESS by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.

### Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act, upon completion of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.<sup>11</sup>

If the weighted-average dumping margin for GFCL is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, Commerce intends to calculate an importer-specific *ad valorem* antidumping duty assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1).<sup>12</sup> We intend to instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., 0.50 percent).

Where we do not have entered values for all U.S. sales to a particular importer (or customer), we will calculate a per-unit assessment rate by aggregating the antidumping duties due for all U.S. sales to that importer (or customer) and dividing this amount by the total quantity sold to that importer (or customer).<sup>13</sup> To determine whether a per-unit assessment rate is *de minimis*, we will calculate estimated entered values.

If the weighted-average dumping margin for GFCL or an importer-specific assessment rate is zero or *de minimis* in the final results of review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping

duties.<sup>14</sup> The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>15</sup>

For entries of subject merchandise during the POR produced by GFCL for which it did not know that the merchandise was destined for the United States, we intend to instruct CBP to liquidate unreviewed entries at the all-others rate (i.e., 10.01) established in the less-than-fair-value (LTFV) investigation<sup>16</sup> if there is no rate for the intermediate company involved in the transaction.<sup>17</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for GFCL will be equal to the weighed-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent, and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific cash deposit rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, or a previous segment, but the producer is, then the cash deposit rate will be the rate established in the

### Final Results of Review

Unless the deadline is otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised by interested parties in any case or rebuttal briefs, within 120 days after the date of publication of these preliminary results in the **Federal Register**.<sup>19</sup>

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

### Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: March 28, 2024.

### SUPPLEMENTARY INFORMATION:

#### Background

On September 11, 2023, in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on certain collated steel staples (staples) from the People's Republic of China (China) with respect to the following companies: Best Nail/Shaoxing Bohui; Shanghai Yueda; Tianjin Hweschun; Vina Hardwares; YF Technology Corporation (Thailand) Ltd.; and YF Technology Corporation Limited.<sup>1</sup> In accordance with the publication of the *Initiation Notice*, Commerce released data obtained from

the U.S. Customs and Border Protection (CBP) with respect to entries of staples from China for the POR and invited comments on the data for respondent selection purposes.<sup>2</sup>

On October 4, 2023, Vina Hardwares timely withdrew its request for an administrative review.<sup>3</sup> On October 11, 2023, Best Nail/Shaoxing Bohui submitted a no shipment claim for this POR segment.<sup>4</sup> In response to a no-shipment inquiry Commerce issued to CBP, on October 25, 2024, CBP responded that it had no record of any subject entries for Best Nail/Shaoxing Bohui.<sup>5</sup>

On November 6, 2023, we selected Shanghai Yueda and Tianjin Hweschun as the mandatory respondents in this administrative review.<sup>6</sup> We subsequently issued Commerce's antidumping duty questionnaire to these two companies.

On December 7 and 11, 2023, Shanghai Yueda and Tianjin Hweschun, respectively, withdrew their requests for administrative review.<sup>7</sup> On December 11, 2023, Kyocera Senco Industrial Tools, Inc. (Kyocera Senco), a domestic producer of staples, withdrew its request for an administrative review of Tianjin Hweschun.<sup>8</sup> On this same date, Black & Decker, a U.S. importer, withdrew its request for an administrative review of YF Technology Corporation (Thailand) Ltd. and YF Technology Corporation Limited.<sup>9</sup>

Prior to issuing our no-shipment inquiry to CBP and receiving CBP's response to that inquiry, we requested entry documentation for a certain entry in the CBP Entry Data that appeared to be associated with Best Nail/Shaoxing Bohui. We placed this entry documentation on the record of this review on January 19, 2024, and provided parties the opportunity to comment on the information. No party submitted comments.
