

OFFICE OF MANAGEMENT AND BUDGET**Office of Federal Procurement Policy****48 CFR Part 9903****Cost Accounting Standards Board; Applicability, Thresholds and Waiver of Cost Accounting Standards Coverage**

AGENCY: Cost Accounting Standards Board, Office of Federal Procurement Policy, OMB.

ACTION: Final rule.

SUMMARY: The Office of Federal Procurement Policy, Cost Accounting Standards Board, is revising applicability, thresholds and procedures for the application of the Cost Accounting Standards (CAS) to negotiated government contracts. This rulemaking is authorized pursuant to Section 26 of the Office of Federal Procurement Policy Act. The Board is taking final action on this topic in order to adjust CAS applicability requirements and dollar thresholds in accordance with the provisions of the National Defense Authorization Act for Fiscal Year 2000.

DATES: This final rule is effective June 9, 2000.

FOR FURTHER INFORMATION CONTACT: Richard C. Loeb, Executive Secretary, Cost Accounting Standards Board (telephone: 202-395-3254).

SUPPLEMENTARY INFORMATION**A. Background**

On February 7, 2000, the Cost Accounting Standards Board issued an interim rule with request for comment, 65 FR 5990. That rule, implemented Sec. 802 of the National Defense Authorization Act for Fiscal Year 2000, Pub. L. 106-65, "Streamlined Applicability of Cost Accounting Standards." This final rule implements the provisions of Sec. 802 and provides responses to public comments received on the interim CAS Board rule. Many of the public comments received by the Board addressed issues that were beyond the scope of Sec. 802. The Board is limiting its revisions in this final rule to the items specified in Sec. 802.

B. Summary of Amendments

"Trigger contract": 48 CFR 9903.201-1(b) is amended by adding a new subparagraph (7) that exempts contracts and subcontracts from CAS coverage, provided that the business unit of the contractor or subcontractor is currently performing one or more CAS-covered

contracts or subcontracts of \$7.5 million or more.

"Firm-fixed price contract exemption": The Board is implementing this statutory exemption by amending 48 CFR 9903.201-1(b) to revise subparagraph (15) to exempt from CAS coverage, firm-fixed-price contracts and subcontracts awarded on the basis of adequate price competition without submission of cost or pricing data. The Board is using the term "cost or pricing data" rather than "certified" cost or pricing data in order to conform to the statutory requirements of 10 U.S.C. § 2306(h)(1) and 41 U.S.C. § 254(b), which defines "Cost or pricing data" as data that requires certification.

"Types of CAS coverage": 48 CFR 9903.201-2(a) is amended by revising the dollar threshold for "full CAS coverage" from \$25 million to \$50 million, and deleting the requirement that to be subject to "full CAS coverage", that a contractor or subcontractor have received at least one contract or subcontract that exceeded \$1 million (the previous "trigger contract" amount for initiation of "full CAS coverage"). 48 CFR 9903.201-2(b) is amended by revising the definition of "modified CAS coverage" to indicate that such coverage applies to covered contracts and subcontracts where the total value of CAS-covered contracts and subcontracts received by a business unit is less than \$50 million.

Conforming amendments have also been made to the solicitation provisions and contract clauses appearing at 9903.201-3 and 9903.201-4, respectively.

"Waiver": 48 CFR 9903.201-5 is amended by revising this section to provide for agency CAS waiver authority under certain circumstances. "Disclosure requirements": 48 CFR 9903.202-1(b) is amended by revising the dollar amount for disclosure from \$25 million to \$50 million, and deleting the requirement that a contractor or subcontractor have received at least one contract in excess of \$1 million.

C. Paperwork Reduction Act

The Paperwork Reduction Act, Public Law 96-511, does not apply to this rule, because this rule imposes no paperwork burden on offerors, affected contractors and subcontractors, or members of the public which requires the approval of OMB under 44 U.S.C. § 3501, *et seq.* The purpose of this rule is to implement Pub. L. 106-65.

D. Executive Order 12866 and the Regulatory Flexibility Act

This rule serves to eliminate certain administrative requirements associated with the application and administration

of the Cost Accounting Standards by covered government contractors and subcontractors. The economic impact on contractors and subcontractors is therefore expected to be minor. As a result, the Board has determined that this is not a "major rule" under the provisions of Executive Order 12866, and that a regulatory impact analysis is not required. Furthermore, this rule will not have a significant effect on a substantial number of small entities because small businesses are exempt from the application of the Cost Accounting Standards. Therefore, this rule does not require a regulatory flexibility analysis under the Regulatory Flexibility Act of 1980.

E. Public Comments

This final rule is based upon the Board's interim rule that was issued on February 7, 2000, 65 FR 5990. Thirteen public comments were received, including eleven timely comments and two late comments. The major comments received and the Board's actions taken in response thereto are summarized below:

Comment: Eight commenters generally supported the interim rule.

Response: The Board noted these supportive comments.

Comment: Four commenters opposed the rule, stating their belief that it provides too many opportunities for contractors to avoid CAS coverage, leaving the Government exposed to undue risk, primarily by permitting the use of inconsistent or inappropriate accounting conventions.

Response: The Board noted the commenters concerns. However, this rule is designed to implement the requirements of Sec. 802 of the National Defense Authorization Act for Fiscal Year 2000, Pub. L. 106-65. In this respect, the Board believes that it is faithfully implementing the requirements of that law.

Comment: Seven commenters recommended that the Board retain the language of the previous CAS exemption found at 48 CFR 9903.201-1(b)(15), while adding the revised language found in the interim rule at 9903.201-1(b)(15), to constitute a new CAS exemption. These commenters believe that CAS should not apply regardless of whether a TINA waiver or exemption was granted.

Conversely, four commenters stated that they believed that the revised language at 9903.201-1(b)(15) represented a compromise, inasmuch as the statutory language at Sec. 802 appears to be designed to avoid encouraging contractors to seek TINA

waivers merely in order to be exempted from CAS requirements.

Response: Based on the legal, legislative and administrative history of this issue (including agency CAS waiver reporting requirements), the Board believes that it is adhering to the statutory intent of Sec. 802. As such, the language contained in the interim rule with respect to 9903.201-1(b)(15) is being adopted in this final rule.

Comment: Seven commenters recommended revisions to the language at 9903.201-1(b)(7) to define the term "currently performing". Four of the seven commenters recommended a definition(s) that would have the effect of exempting more contracts from CAS coverage; while three commenters recommended definition(s) that would have the effect of including more contracts within the scope of CAS coverage.

Response: The Board believes that the term "currently performing" is more than adequately defined in the Board's rules at 48 CFR 9903.301. "Currently performing", as used in the Board's rules, means that a contractor has been awarded a CAS-covered contract, but has not yet received notification of final acceptance of all supplies, services and data deliverable under the contract (including options). The Board would draw the commenters attention to the existence of this long-standing definition.

Comment: The Board also received a number of comments regarding additional CAS exemptions, waivers, dollar threshold and applicability changes, and other regulatory matters that would have the general effect of further reducing CAS applicability to contracts and subcontracts. In addition, one commenter opposed the delegation of any CAS waiver authority to the procuring agencies.

Response: While the Board has considered all the comments it has received, it is specifically limiting the scope of this rulemaking to those items required to be addressed by Sec. 802 of Pub. L. 106-65.

■(3) Certificate of Monetary Exemption.

The offeror hereby certifies that the offeror, together with all divisions, subsidiaries, and affiliates under common control, did not receive net awards of negotiated prime contracts and subcontracts subject to CAS totaling \$50 million or more in the cost accounting period immediately preceding the period in which this proposal was submitted.

Any request for a waiver shall describe the proposed contract or subcontract for which the waiver is sought and shall contain—

(1) An unequivocal statement that the proposed contractor or subcontractor refuses to accept a contract containing all or a specified part of a CAS clause and the specific reason for that refusal;

(2) A statement as to whether the proposed contractor or subcontractor has accepted any prime contract or subcontract containing a CAS clause;
