

DEPARTMENT OF TRANSPORTATION**Federal Railroad Administration****[Docket Number FRA–2023–0043]****Petition for Waiver of Compliance**

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on May 23, 2023, Cedar Rapids and Iowa City Railway (CIC), jointly with SMART–TD, BMWED, and International Association of Machinists Harmony Lodge No. 381, and CIC Yard Managers and Clerks (unaffiliated) (Petitioners), petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 240 (Qualification and Certification of Locomotive Engineers) and part 242 (Qualification and Certification of Conductors). FRA assigned the petition Docket Number FRA–2023–0043.

Specifically, Petitioners request relief required to participate in FRA's Confidential Close Call Reporting System (C³RS) Program. Petitioners seek to shield reporting employees and CIC from mandatory punitive sanctions that would otherwise arise as provided in §§ 240.117(e)(1)–(4); 240.305(a)(1)–(4) and (a)(6); 240.307; 242.403(b), (c), (e)(1)–(4), (e)(6)–(11), (f)(1)–(2); and 242.407. The C³RS Program encourages certified operating crew members to report close calls and protects the employees and the railroad from discipline or sanctions arising from the incidents reported per the C³RS Implementing Memorandum of Understanding.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments.
