General description of report: The FR Y–9 family of reporting forms continues to be the primary source of financial data on holding companies that examiners rely on in the intervals between on-site inspections. The Board requires holding companies to provide standardized financial statements to fulfill the Board's statutory obligation to supervise these organizations. Financial data from these reporting forms are used to detect emerging financial problems, to review performance and conduct pre-inspection analysis, to monitor and evaluate capital adequacy, to evaluate holding company mergers and acquisitions, and to analyze a holding company's overall financial condition to ensure the safety and soundness of its operations. The FR Y–9C, FR Y–9LP, and FR Y–9SP serve as standardized financial statements for the holding companies. The FR Y–9ES is a financial statement for holding companies that are Employee Stock Ownership Plans. The Board uses the voluntary FR Y–9CS (a free-form supplement) to collect additional information deemed to be critical and needed in an expedited manner. Holding companies file the FR Y–9C on a quarterly basis, the FR Y–9LP quarterly, the FR Y–9SP semiannually, and the FR Y–9CS on a schedule that is determined when this supplement is used.

Proposed revisions:

Chief Executive Officer Contact Information

The Federal Reserve periodically needs to communicate directly with the CEOs of holding companies via email; however, the Federal Reserve currently does not have a complete list of CEO email addresses. To streamline communications to CEOs, the Board proposes to collect the name, email address, and phone number of the holding company's CEO on the FR Y–9C and FR Y–9SP reports. CEO communications would be initiated or approved by the Board's senior

management and would involve topics such as new initiatives and policy notifications.

The proposed CEO contact information would be for the confidential use of the Federal Reserve and would not be released to the public. The Board intends for CEO email addresses and phone numbers to be used judiciously and only for significant matters requiring CEO-level attention. Having a comprehensive database of holding companies' CEO contact information, including email addresses and phone numbers, would allow the Federal Reserve to have current information to communicate important and time-sensitive information to CEOs. This information is proposed to be collected quarterly on the FR Y–9C report for consistency with the Call Report and semiannually on the FR Y–9SP report. The information would be collected from top tier holding companies only.

Full-Time Employees

Consistent with the Interagency Policy Statement Establishing Joint Standards for Assessing the Diversity Policies of Entities Regulated by the Agencies,² which was issued as required by section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Board's Office of Minority and Women Inclusion (OMWI) conducts an annual survey of entities the Board regulates. In this voluntary survey, the Board collects a self-assessment report on diversity policies and practices from entities with 100 or more full-time equivalent employees.

Currently, to identify those entities that should be invited to participate in the survey, the Board's OMWI relies on the FR Y–9C and Call Report, which collect data on the number of full-time equivalent employees for the consolidated entity. Because these data are not collected on the parent-only FR Y–9SP or the nonbank subsidiary reports,³ the Board cannot accurately identify the FR Y–9SP reporters with 100 or more full-time equivalent employees on a consolidated basis that

² See 80 FR 33016 (June 10, 2015). Agencies include the Office of the Comptroller of the Currency (OCC); Board; Federal Deposit Insurance Corporation (FDIC); National Credit Union Administration (NCUA); Consumer Financial Protection Bureau (CFPB); and Securities and Exchange Commission (SEC).

³ The nonbank subsidiary reports include the Financial Statements of Foreign Subsidiaries of U.S. Banking Organizations (FR 2314/2314S), Financial Statements of U.S. Nonbank Subsidiaries held by Foreign Banking Organizations (FR Y–7N/7NS/7Q), and Financial Statements of U.S. Nonbank Subsidiaries of U.S. Holding Companies (FR Y–11/11S).

should be invited to participate in this survey.

Therefore, the Board proposes to add a new check box, Memorandum item 5, “Does your holding company have 100 or more full-time equivalent employees on a consolidated basis?” to Schedule SI, *Income Statement* of the FR Y-9SP report. The addition of this item on the FR Y-9SP would enable OMWI to have a comprehensive list of the institutions with full-time equivalent employees of 100 or more on a consolidated basis. The proposed data item would only be collected from top tier holding companies and would be collected only on the report for the December 31 as-of date. Given that the additional information to be reported should be easily obtainable, the Board expects a small burden increase for reporters.

Brokered Deposits Glossary Entries

The FR Y-9C instructions Glossary defines “Brokered Deposits” and “Brokered Retail Deposits” consistent with section 29(g) of the Federal Deposit Insurance Act (FDI Act) and the FDIC’s brokered deposits regulation.⁴ Under these definitions, the meaning of the term “brokered deposit” references the defined term “deposit broker.” On January 22, 2021, the FDIC published in the **Federal Register** a final rule to amend its brokered deposits regulation (brokered deposits final rule),⁵ which established a new framework for analyzing certain provisions of the “deposit broker” definition in the FDI Act.⁶ The brokered deposits final rule clarified the term “deposit broker” and the analysis of whether entities are engaged in the business of placing, or facilitating the placement of, deposits. The revised FDIC regulation describes exceptions to the definition of “deposit broker” including when the primary purpose of an agent’s or nominee’s business relationship with its customers is not the placement of funds with depository institutions (primary purpose exception). The brokered deposits final rule introduced in the FDIC’s regulation a list of business relationships that are designated as meeting the primary purpose exception. In February 2021, the Federal Financial Institutions Examination Council proposed changes to the Call Reports forms and instructions consistent with the brokered deposits final rule and proposed conforming clarifications in the Call Reports Glossary.

To provide clarity for respondents, the Board is proposing to revise the FR

Y-9C Glossary instructions to incorporate changes under the brokered deposits final rule consistent with the proposed Call Report revisions. Specifically, the Board proposes to reorder the content of the Glossary entries for “Brokered Deposits” and “Brokered Retail Deposits,” to incorporate the revised content of the FDIC regulation, and to update reference to the FDIC insurance limit of \$250,000. The Board is not proposing otherwise to revise the FR Y-9C form or instructions in respect to brokered deposits.

SA-CCR Check Box

On January 24, 2020, the agencies issued a final rule⁷ (SA-CCR final rule) that amends the regulatory capital rule to implement a new approach for calculating the exposure amount for derivatives contracts for purposes of calculating the total risk-weighted assets (RWA), which is called SA-CCR. The final rule also incorporates SA-CCR into the determination of the exposure amounts of derivatives for total leverage exposure under the supplementary leverage ratio and the cleared transaction framework under the capital rule.

Holding companies that are not advanced approaches banking organizations⁸ may elect to use SA-CCR to calculate standardized total RWA by notifying the Board.⁹ Advanced approaches holding companies are required to use SA-CCR to calculate standardized total RWA starting on January 1, 2022. Advanced approaches holding companies may adopt SA-CCR prior to January 1, 2022, but must notify the Board of their early adoption.¹⁰

The Board proposes to revise the FR Y-9C forms and instructions by adding new line item 31.b, “Standardized Approach for Counterparty Credit Risk opt-in election.” The Board is proposing to add this new item to identify holding companies that have chosen to early adopt or voluntarily elect SA-CCR, which would allow for enhanced comparability of the reported derivative data and for better supervision of the implementation of the framework at these holding companies. Due to the inherent complexity of adopting SA-CCR, this identification is particularly important for non-advanced approaches institutions that choose to voluntarily adopt SA-CCR.

A non-advanced approaches holding company that adopts SA-CCR would

enter “1” for “Yes” in line item 31.b. All other non-advanced approaches holding companies would leave this item blank. If a non-advanced approaches holding company has elected to use SA-CCR, the holding company may change its election only with prior approval of the Board.¹¹ An advanced approaches holding company that elects to early adopt SA-CCR prior to the January 1, 2022, mandatory compliance date would enter “1” for “Yes” in line item 31.b. After January 1, 2022, an advanced approaches holding company would leave this item blank. This proposed reporting change would take effect starting with the December 31, 2021, FR Y-9C report. This item would no longer be applicable to advanced approaches holding companies starting with the March 31, 2022, report date. There would be no material change in burden to the FR Y-9C report related to this revision.

Legal authorization and confidentiality: The reporting and recordkeeping requirements associated with the Y-9 series of reports are authorized for BHCs pursuant to section 5 of the Bank Holding Company Act (BHC Act);¹² for SLHCs pursuant to section 10(b)(2) and (3) of the Home Owners’ Loan Act;¹³ for IHCs pursuant to section 5 of the BHC Act, as well as pursuant to sections 102(a)(1) and 165 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act);¹⁴ and for securities holding companies pursuant to section 618 of the Dodd-Frank Act.¹⁵

Except for the FR Y-9CS report, which is collected on a voluntary basis, the obligation to submit the remaining reports in the FR Y-9 series of reports and to comply with the recordkeeping requirements set forth in the respective

Section 165(b)(2) of Title I of the Dodd-Frank Act, 12 U.S.C. 5365(b)(2), refers to “foreign-based bank holding company.” Section 102(a)(1) of the Dodd-Frank Act, 12 U.S.C. 5311(a)(1), defines “bank holding company” for purposes of Title I of the Dodd-Frank Act to include foreign banking organizations that are treated as bank holding companies under section 8(a) of the International Banking Act, 12 U.S.C. 3106(a). The Board has required, pursuant to section 165(b)(1)(B)(iv) of the Dodd-Frank Act, 12 U.S.C. 5365(b)(1)(B)(iv), certain foreign banking organizations subject to section 165 of the Dodd-Frank Act to form U.S. intermediate holding companies. Accordingly, the parent foreign-based organization of a U.S. IHC is treated as a BHC for purposes of the BHC Act and section 165 of the Dodd-Frank Act. Because section 5(c) of the BHC Act authorizes the Board to require reports from subsidiaries of BHCs, section 5(c) provides additional authority to require U.S. IHCs to report the information contained in the FR Y-9 series of reports.

Certain information collected on the FR Y-9C and FR Y-9SP Reports is kept confidential by the Board. The following items may be kept confidential under exemption 4 of the Freedom of Information Act (FOIA) because these data items reflect commercial and financial information that is both customarily and actually treated as private by the respondent:¹⁶

- FR Y-9C, Schedule HI, memoranda item 7(g), “FDIC deposit insurance assessments;”

- FR Y-9C, Schedule HC-P, item 7(a) “Representation and warranty reserves for 1-4 family residential mortgage loans sold to U.S. government agencies and government sponsored agencies;”

- FR Y-9C, Schedule HC-P, item 7(b) “Representation and warranty reserves for 1-4 family residential mortgage loans sold to other parties;”

- FR Y-9C, Schedule HC-C, Part I, Memorandum items 16.a and 16.b, for eligible loan modifications under Section 4013 of the 2020 Coronavirus Aid, Relief, and Economic Security Act; and

- FR Y-9C, Schedule HC and FR Y-9SP, Schedule SC, Memoranda item 2.b., the name and email address of the external auditing firm’s engagement partner.¹⁷

In some circumstances, disclosing these data items may also reveal confidential examination and supervisory information protected from disclosure under exemption 8 of the FOIA.¹⁸ The Board has previously assured submitters that these data items will be treated as confidential.

In addition, the Chief Executive Officer Contact Information section of both the FR Y-9C and FR Y-9SP may be kept confidential pursuant to FOIA exemption 6, which applies to personnel and medical files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy,¹⁹ and exemption 8, which applies to information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions.²⁰

Aside from the data items described above, data collected by the FR Y-9

reports generally are not accorded confidential treatment. As provided in the Board’s Rules Regarding Availability of Information,²¹ however, a respondent may request confidential treatment for any data items the respondent believes should be withheld pursuant to a FOIA exemption. The Board will review any such request to determine if confidential treatment is appropriate and will inform the respondent if the request for confidential treatment has been granted or denied.

To the extent that the instructions to the FR Y-9 reports direct the financial institution to retain the workpapers and related materials used in preparation of each report, such material would only be obtained by the Board as part of the examination or supervision of the financial institution. Accordingly, such information may be considered confidential pursuant to exemption 8 of the FOIA.²² In addition, the workpapers and related materials may also be protected by exemption 4 of the FOIA to the extent such financial information is customarily and actually treated as private by the respondent.²³

Consultation outside the agency: The Board consulted with the FDIC and OCC regarding the proposed revisions on brokered deposits and SA-CCR check box.
