(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the First Coast Guard District Commander in the enforcement of the safety zones.

(c) *Regulations.* No vessel may enter or remain in this safety zone except for the following:

(1) An attending vessel as defined in § 147.20; and

(2) A vessel authorized by the First Coast Guard District Commander or a designated representative.

(d) *Request for permission.* Persons or vessels seeking to enter the safety zone must request authorization from the First Coast Guard District Commander or a designated representative. If permission is granted, all persons and vessels must comply with lawful instructions of the First Coast Guard District Commander or designated representative via VHF-FM channel 16 or by phone at 866-842-1560 (First Coast Guard District Command Center).

(e) *Effectiveness and enforcement periods.* This section is in effect from May 1, 2023, through 11:59 p.m. on December 31, 2023. But it will only be enforced during active construction or other instances which may cause a hazard to navigation deemed necessary by the First Coast Guard District Commander. The First Coast Guard District Commander will make notification of the exact dates and times in advance of each enforcement period for the locations in paragraph (a) of this section to the local maritime community through the Local Notice to Mariners and will issue a Broadcast Notice to Mariners via marine channel 16 (VHF-FM) as soon as practicable in response

to an emergency. If the project is completed before December 31, 2023, enforcement of the safety zones will be suspended, and notice given via Local Notice to Mariners. The First Coast Guard District Local Notice to Mariners can be found at: <https://www.navcen.uscg.gov>.

Dated: April 27, 2023.

J.W. Mauger,
Rear Admiral, U.S. Coast Guard, Commander,
First Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2023-0290]

RIN 1625-AA00

Safety Zone; Potomac River, Between Charles County, MD and King George County, VA

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain waters of the Potomac River. This action is necessary to provide for the safety of life on these navigable waters at the old Governor Harry W. Nice/Senator Thomas “Mac” Middleton Memorial (US-301) Bridge during demolition operations from May 1, 2023 through June 9, 2023. This rule will prohibit persons and vessels from being in the safety zone unless authorized by the Captain of the Port, Maryland-

National Capital Region or a designated representative.

DATES: This rule is effective without actual notice from May 2, 2023, through June 9, 2023. For the purposes of enforcement, actual notice will be used from May 1, 2023, until May 2, 2023.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2023-0290 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email BM1 Michael Klopp, Sector Maryland-NCR, Waterways Management Division, U.S. Coast Guard: telephone 410-576-2674, email MDNCRWaterways@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

On April 13, 2023, Skanska-Corman-McLean, Joint Venture, notified the Coast Guard that the company will be conducting bridge demolition operations at the old Governor Harry W. Nice/Senator Thomas “Mac” Middleton Memorial (US-301) Bridge. The work described by the contractor requires the use of explosives, and debris removal and hydrographic surveying equipment. During explosive detonation periods, there can be no marine traffic transiting near or around the bridge for safety reasons.

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable and contrary to the public interest. Demolition operations involving explosives will occur at the old Governor Harry W. Nice/Senator Thomas “Mac” Middleton Memorial (US-301) Bridge across the Potomac River and immediate action is needed to respond to the potential safety hazards associated with bridge demolition. Hazards from the demolition operations include low-hanging or falling ropes, cables, large piles and cement cast portions, dangerous projectiles, and/or other debris. We must establish this safety zone by May 1, 2023, to guard against these hazards.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because immediate action is needed to respond to the potential safety hazards associated with demolition operations at the old Governor Harry W. Nice/Senator Thomas “Mac” Middleton Memorial (US-301) Bridge.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port (COTP) has determined that potential hazards associated with bridge demolition starting May 1, 2023, will be a safety concern for anyone near the old Governor Harry W. Nice/Senator Thomas “Mac” Middleton Memorial (US-301) Bridge demolition site. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the bridge is being demolished.

IV. Discussion of the Rule

The COTP is establishing a safety zone from 12:01 a.m. on May 1, 2023, to 11:59 p.m. on June 9, 2023. The safety zone will cover the following areas:

Area 1. All navigable waters of the Potomac River, encompassed by a line connecting the following points beginning at 38°21′38.74″ N, 077°00′52.99″ W, thence east to 38°21′52.67″ N, 076°59′2.51″ W, thence south along the shoreline to 38°21′43.45″ N, 076°58′56.64.22″ W, thence west to 38°21′28.91″ N, 077°00′52.81″ W, and thence north along the shoreline back to the beginning point, located in King George County, VA.

Area 2. All navigable waters of the Potomac River, within 1,500 feet of the explosives barge located in approximate position 38°21′21.47″ N, 076°59′45.40″ W.

The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled demolition and debris removal. Except for marine equipment and vessels operated by Skanska-Corman-McLean, Joint Venture, or its subcontractors, no vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The term designated representative also includes an employee or contractor of Skanska-Corman-McLean, Joint Venture for the sole purposes of designating and establishing safe transit corridors, to permit passage into or through the safety zone, or to notify vessels and individuals that they have entered the safety zone and are required to leave.

The COTP will notify the public that the safety zone will be enforced by all appropriate means to the affected segments of the public, as practicable, in accordance with 33 CFR 165.7(a). Such means of notification will also include, but are not limited to, Broadcast Notice to Mariners. Vessels or persons violating this rule are subject to the penalties set forth in 46 U.S.C. 70036 and 46 U.S.C. 70052. The regulatory text appears at the end of this document.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a

“significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location and time of year of the safety zone. The temporary safety zone is approximately 3,000 yards in width and 350 yards in length. This safety zone would impact a small designated area of the Potomac River for 40 total days, but we anticipate that there would be no vessels that are unable to conduct business. Excursion vessels and commercial fishing vessels are not impacted by this rulemaking. Excursion vessels do not operate in this area, and commercial fishing vessels are not impacted because of their draft. Some towing vessels may be impacted, but bridge project personnel have been conducting outreach throughout the project in order to coordinate with those vessels. During explosive detonations, the Coast Guard will have law enforcement assets on-scene to enforce the safety zone immediately before, during and after explosive detonations. This safety zone is established outside the normal recreational boating season for this area, which occurs during the summer season. Moreover, the Coast Guard will issue Local Notices to Mariners and a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions

concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure,

we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting 40 total days that would prohibit entry within a portion of the Potomac River. Normally such actions are categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T05-0290 to read as follows:

§ 165.T05-0290 Safety Zone; Potomac River, Between Charles County, MD and King George County, VA.

(a) *Location.* The following areas are safety zones. These coordinates are

based on North American Datum of 1983 (NAD 83).

(1) *Area 1.* All navigable waters of the Potomac River, encompassed by a line connecting the following points beginning at 38°21'38.74" N, 077°00'52.99" W, thence east to 38°21'52.67" N, 076°59'2.51" W, thence south along the shoreline to 38°21'43.45" N, 076°58'56.64.22" W, thence west to 38°21'28.91" N, 077°00'52.81" W, and thence north along the shoreline back to the beginning point, located in King George County, VA.

(2) *Area 2.* All navigable waters of the Potomac River within 1,500 feet of the explosives barge located in approximate position 38°21'21.47" N, 076°59'45.40" W.

(b) *Definitions.* As used in this section—

Captain of the Port (COTP) means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region.

Designated representative means any Coast Guard commissioned, warrant, or petty officer, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the COTP in the enforcement of the safety zone. The term also includes an employee or contractor of Skanska-Corman-McLean, Joint Venture for the sole purposes of designating and establishing safe transit corridors, to permit passage into or through the safety zone, or to notify vessels and individuals that they have entered the safety zone and are required to leave.

Marine equipment means any vessel, barge, or other equipment operated by Skanska-Corman-McLean, Joint Venture, or its subcontractors.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, except for marine equipment, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP, Skanska-Corman-McLean, Joint Venture, or the COTP's designated representative. If a vessel or person is notified by the COTP, Skanska-Corman-McLean, Joint Venture, or the COTP's designated representative that they have entered the safety zone without permission, they are required to immediately leave in a safe manner following the directions given.

(2) Mariners requesting to transit any of the safety zone areas in paragraph (a) of this section must first contact the Skanska-Corman-McLean, Joint Venture designated representative, the on-site project manager by telephone number 781-953-1465 or on Marine Band Radio

VHF–FM channels 13 and 16 from the pusher tug Miss Stacy. If permission is granted, mariners must proceed at their own risk and strictly observe any and all instructions provided by the COTP, Skanska-Corman-McLean, Joint Venture, or designated representative to the mariner regarding the conditions of entry to and exit from any area of the safety zone. The COTP or the COTP's representative can be contacted by telephone number 410–576–2693 or on Marine Band Radio VHF–FM channel 16 (156.8 MHz).

(3) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue marine information broadcasts on VHF–FM marine band radio announcing specific enforcement dates and times.

(d) *Enforcement officials.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

(e) *Enforcement period.* This section will be enforced from 12:01 a.m. on May 1, 2023, to 11:59 p.m. on June 9, 2023.

Dated: April 27, 2023.

David E. O'Connell,

Captain, U.S. Coast Guard, Captain of the Port, Sector Maryland-National Capital Region.

[FR Doc. 2023–09300 Filed 5–1–23; 8:45 am]

BILLING CODE 9110–04–P

DEPARTMENT OF EDUCATION

34 CFR Chapter II

[Docket ID ED–2022–OESE–0151]

Final Priorities, Requirements, and Definitions—State-Tribal Education Partnership Program

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Final priorities, requirements, and definitions.

SUMMARY: The Department of Education (Department) announces final priorities, requirements, and definitions for the State-Tribal Education Partnership (STEP) program, Assistance Listing Number (ALN) 84.415A. The Department may use one or more of these priorities, requirements, and definitions for competitions in fiscal year (FY) 2023 and subsequent years. The Department is taking this action to support the development of partnerships among Tribal educational agencies (TEAs), State educational agencies (SEAs), and local educational agencies (LEAs) to support the creation

or expansion of TEAs to directly administer education programs, including formula grant programs under the Elementary and Secondary Education Act of 1965, as amended (ESEA), consistent with State law and under a written agreement among the parties.

DATES: These priorities, requirements, and definitions are effective June 1, 2023.

FOR FURTHER INFORMATION CONTACT:

Donna Bussell, U.S. Department of Education, 400 Maryland Avenue SW, Room 3W207, Washington, DC 20202–6450. Telephone: 202–987–0204. Email: donna.bussell@ed.gov.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7–1–1.

SUPPLEMENTARY INFORMATION:

Purpose of Program: The purposes of STEP are to: (1) promote Tribal self-determination in education; (2) improve the academic achievement of Indian children and youth; and (3) promote the coordination and collaboration of TEAs (as defined in this notice) with SEAs and LEAs to meet the unique education and culturally related academic needs of Indian students.

Program Authority: Section 6132 of the ESEA (20 U.S.C. 7452).

Public Comment: We published a notice of proposed priorities, requirements, and definitions (NPP) for this program in the **Federal Register** on December 28, 2022 (87 FR 79824). The NPP contained background information regarding the proposed priorities, requirements, and definitions. In response to our invitation to comment in the NPP, no comments on the proposed priorities, requirements, or definitions were received. As discussed in the *Analysis of Comments and Changes* section, we made changes to Priorities 1 and 3, as well as to two definitions. Generally, we do not address technical and other minor changes.

Analysis of Comments and Changes:
Priority 1—Improve Identification of Native Students for Title VI Indian Education Formula Grant Program.

Comments: None.

Discussion: We are revising the title of the priority to better align with the text of the priority, which is focused on improving identification of students for the Title VI Indian Education formula grant program.

We are also revising the priority to better align with the statutory definition of “Indian” in ESEA section 6151(3), which, in relevant part, includes a student if they are a member of a Tribe

or if they are a descendent in the first or second degree of a Tribal member. Although the proposed priority referred to Tribal affiliation generally, the ESEA definition of Indian includes students with a descendant relationship in the first or second degree for Title VI formula grant purposes.

Changes: We have revised the title of the priority to “Improve Identification of Native Students for Title VI Indian Education Formula Grant Program.” We have also revised the priority to reflect that Tribal affiliation includes an affiliation through a descendent relationship.

Priority 3—Enhance Tribal Consultation.

Comments: None.

Discussion: As explained in the NPP, we proposed Priority 3, in part, to advance Tribal self-determination in education by supporting TEAs to convene collaborative meetings with SEAs and LEAs to promote meaningful consultation. The majority of comments from Tribal leaders during Tribal Consultation on April 26, 2021, expressed that those partnerships should include both SEAs and LEAs and should be rooted in Tribal consultation at the local level. Tribal leaders also supported the need for partnerships to include both entities. To that end, we referred to “SEA goals” and “ESEA State Plans” in the proposed priority but did not make specific reference to Tribal consultation with SEAs. Therefore, we are revising the priority to better address comments made during Tribal consultation and better reflect the goal of prioritizing projects that enhance consultation with SEAs and LEAs.

Additionally, we recognize the importance of a Tribe or TEA determining who should be invited to enhance Tribal consultation. In referring to “affected LEAs” in the proposed priority, we limited the types of LEAs that could be considered to those that meet the definition of “affected LEA” in ESEA section 8538(c)(1). We believe that a Tribe or TEA could reasonably conclude that the participation of an LEA that does not meet the ESEA definition of “affected LEA” could promote meaningful consultation; therefore, we are expanding the types of LEAs included in this priority to provide maximum flexibility to the Tribes and TEAs.

Changes: We have revised this priority to add the option for projects to enhance consultation with an SEA, at least one LEA, or both. We also have removed the reference to “affected LEAs” and the corresponding definition.
