Section 8 Housing Assistance Payments Program—Contract Rent Annual Adjustment Factors (AAFs), Fiscal Year 2011

AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Notice.

SUMMARY: The United States Housing Act of 1937 requires that assistance

contracts signed by owners participating in the Department's Section 8 housing assistance payment programs provide annual adjustment to monthly rentals for units covered by the contract. This Notice announces revised Contract Rent AAFs for adjustment of contract rents on assistance contract anniversaries. The factors are based on a formula using residential rent and utility cost changes from the most current annual Bureau of Labor Statistics Consumer Price Index (CPI) survey. These factors are applied at Housing Assistance Payment (HAP) contract anniversaries for those calendar months commencing after the effective date of this Notice. HUD will publish "Renewal Funding AAFs," in a separate Notice, to be used exclusively for renewal funding of tenant-based rental assistance, if so required in the fiscal year (FY) 2011 HUD Budget.

DATES: Effective Date: March 16, 2011.

I. Applying Contract Rent AAFs to Various Section 8 Programs

Contract Rent AAFs established by this Notice are used to adjust contract rents for units assisted in certain Section 8 housing assistance payment programs during the initial (i.e., pre-renewal) term of the HAP contract and for all units in the Project-Based Certificate program. There are three categories of Section 8 programs that use the Contract Rent AAFs:

Category 1—The Section 8 New Construction and Substantial Rehabilitation programs and the Section 8 Moderate Rehabilitation program.

Category 2—The Section 8 Loan Management (LM) and Property Disposition (PD) programs.

Category 3—The Section 8 Project-Based Certificate (PBC) program.

Each Section 8 program category uses the Contract Rent AAFs differently. The specific application of the Contract Rent AAFs is determined by the law, the HAP contract, and appropriate program regulations or requirements.

AAFs are not used in the following cases:

Renewal Rents. With the exception of the Project-Based Certificate program, Contract Rent AAFs are not used to determine renewal rents after expiration of the original Section 8 HAP contract (either for projects where the Section 8 HAP contract is renewed under a restructuring plan adopted under 24 CFR part 401; or renewed without restructuring under 24 CFR part 402). In general, renewal rents are based on the applicable State-by-State operating cost adjustment factor (OCAF) published by HUD; the OCAF is applied to the previous year's contract rent minus debt service.

Budget-Based Rents. Contract Rent AAFs are not used for budget-based rent adjustments. For projects receiving Section 8 subsidies under the LM program (24 CFR part 886, subpart A) and for projects receiving Section 8 subsidies under the PD program (24 CFR part 886, subpart C), contract rents are adjusted, at HUD's option, either by applying the Contract Rent AAFs or by budget-based adjustments in accordance with 24 CFR 886.112(b) and 24 CFR 886.312(b). Budget-based adjustments are used for most Section 8/202 projects.

Certificate Program. In the past, Contract Rent AAFs were used to adjust the contract rent (including manufactured home space rentals) in both the tenant-based and project-based certificate programs. The tenant-based certificate program has been terminated and all tenancies in the tenant-based certificate program have been converted
