### Census Bureau

#### Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Census Household Panel

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing

information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on February 6, 2023, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

*Agency:* U.S. Census Bureau.

*Title:* Census Household Panel.

*OMB Control Number:* 0607-XXXX.

*Form Number(s):* Not yet determined.

*Type of Request:* Regular submission, New Information Collection Request.

*Number of Respondents:* 75,000 initial screened sample/15,000 panel members.

*Average Hours per Response:* 4 hours per year (5 minutes for screening; 20 minutes for monthly collection).

*Burden Hours:* 66,250.

*Needs and Uses:* The Census Household Panel will recruit a probability-based nationwide nationally representative survey panel to test the methods to collect data on a variety of topics of interest, and for conducting experimentation on alternative question wording and methodological approaches. The goal of the Census Household Panel is to ensure availability of frequent data collection for nationwide estimates on a variety of topics and a variety of subgroups of the population, meeting standards for transparent quality reporting of the Federal Statistical Agencies and the Office of Management and Budget (OMB).

The initial goal for the size of the Panel is 15,000 panelists and households selected for the Panel will come from the Census Bureau's gold standard Master Address File. This ensures the Panel is rooted in this rigorously developed and maintained frame and available for linkage to administrative records securely maintained and curated by the Census Bureau. Initial invitations to enroll in the Panel will be sent by mail and questionnaires will be mainly internet self-response. The Panel will maintain representativeness by allowing respondents who do not use the internet to respond via in-bound computer-assisted telephone interviewing (CATI). All panelists will receive an incentive for each complete questionnaire. Periodic replenishment samples will maintain representativeness and

panelists will be replaced after a period of three years.

**Affected Public:** Individuals or Households.

**Frequency:** Monthly.

**Respondent's Obligation:** Voluntary.

**Legal Authority:** Title 13, United States Code, Sections 8(b), 141, 182 and 193.

This information collection request may be viewed at [www.reginfo.gov](http://www.reginfo.gov). Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0607–1013.

### National Institute of Standards and Technology

#### Termination of a Selected National Voluntary Laboratory Accreditation Program (NVLAP) Service

**AGENCY:** National Institute of Standards and Technology (NIST), Department of Commerce.

**ACTION:** Notice.

**SUMMARY:** The National Institute of Standards and Technology's (NIST) National Voluntary Laboratory Accreditation Program (NVLAP) announces the termination of the Wood-Based Products Testing Laboratory Accreditation Program (LAP) offered by NVLAP. The Wood-Based Products Testing LAP includes the following areas of testing: chemical, physical, mechanical, fire performance, formaldehyde, and treated-wood characteristics.

**DATES:** The Wood-Based Products Testing LAP will be terminated upon publication of this notice.

**ADDRESSES:** Dana Leaman, Chief, National Voluntary Laboratory Accreditation Program, National Institute of Standards and Technology, 100 Bureau Drive, Stop 2140, Gaithersburg, MD 20899–2140; email: [nvlap@nist.gov](mailto:nvlap@nist.gov).

#### FOR FURTHER INFORMATION CONTACT:

Dana Leaman, Chief, National Voluntary Laboratory Accreditation Program, (301) 975–4016; email: [nvlap@nist.gov](mailto:nvlap@nist.gov).

**SUPPLEMENTARY INFORMATION:** NIST administers NVLAP under regulations found in 15 CFR part 285. NVLAP provides an unbiased third-party evaluation and recognition of laboratory performance, as well as expert technical assistance to upgrade that performance, by accrediting calibration and testing laboratories found competent to perform specific calibrations or tests.

NVLAP is comprised of a set of Laboratory Accreditation Programs (LAPs) that are established on the basis of requests and demonstrated need. Each LAP includes specific test and/or calibration standards and related methods and protocols assembled to satisfy the unique needs for accreditation in the field of testing or calibration.

Under 15 CFR part 285, the Chief of NVLAP may terminate a LAP when it is determined that a need no longer exists to accredit laboratories for the services covered under the scope of the LAP. The Wood-Based Products Testing LAP includes the following areas of testing: chemical, physical, mechanical, fire performance, formaldehyde, and treated-wood characteristics. The purpose of this program is to supply unbiased third-party evaluation and attestation of testing competence of manufacturer and independent testing laboratories in the given fields. A review of the Wood-Based Products Testing LAP revealed that there are no longer any laboratories enrolled in the program. Given this lack of participation, it is unnecessary and not cost effective to continue this LAP. As a result of this review, the Chief of NVLAP has determined there is no longer exists a need to continue the Wood-Based Products Testing LAP. NVLAP will no longer grant or renew accreditations under the terminated program effective upon publication of this notice.
