Find this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC recently submitted a proposed collection of information to OMB for review entitled NRC Form 974 "Privacy Act Complaint Form." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on February 16, 2023, 88 FR 10149.

1. *The title of the information collection:* NRC Form 974 "Privacy Act Complaint Form."

2. *OMB approval number:* An OMB control number has not yet been assigned to this proposed information collection.

3. *Type of submission:* New.

4. *The form number, if applicable:* Form 974.

5. *How often the collection is required or requested:* On occasion.

6. *Who will be required or asked to respond:* The public.

7. *The estimated number of annual responses:* 12.

8. *The estimated number of annual respondents:* 12.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 3.

10. *Abstract:* The NRC provides an electronic mechanism for the public to voluntarily register a complaint concerning privacy data collection practices at the NRC. The complainant provides the following information: Name, Telephone Number, Email Address, Summary of Privacy Complaint, Summary of any other steps already take if any by them or NRC to resolve complaint, and Preferred method of contact.

Dated: June 30, 2023.

For the Nuclear Regulatory Commission.
